

This notice is issued under authority of 5 U.S.C. 552(a) and 33 CFR 100.1101. In addition to this notice in the **Federal Register**, the Coast Guard will provide the maritime community with advance notification of this enforcement period via the Local Notice to Mariners and local advertising by the event sponsor.

If the Captain of the Port Sector San Diego or his designated representative determines that the regulated area need not be enforced for the full duration stated on this notice, he or she may use a Broadcast Notice to Mariners or other communications coordinated with the event sponsor to grant general permission to enter the regulated area.

Dated: October 14, 2014.

### Coast Guard

#### 33 CFR Part 165

[Docket No. USCG-2014-0951]

RIN 1625-AA00

#### Safety Zone; Salvage Operations, Chicago River, Chicago, IL

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone on the Chicago River between the Lake Street Bridge and the Randolph Street Bridge, Chicago, IL. This safety zone is intended to restrict vessels from a designated portion of the Chicago River for a sunken barge and related salvage operations. This temporary safety zone is necessary to protect the surrounding public and vessels from the hazards associated with salvage operations.

**DATES:** This rule is effective without actual notice from October 30, 2014 until November 14, 2014. For the purposes of enforcement, actual notice will be used from the date the rule was signed, October 17, 2014 until October 30, 2014.

**ADDRESSES:** Documents mentioned in this preamble are part of docket USCG-2014-0951. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." NPRM Notice of Proposed Rulemaking

#### A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Specifically, this safety zone is needed for salvage operations for a barge that unexpectedly sank on the Chicago River on October 17, 2014. Thus, delaying the effective date of this rule to wait for a comment period to run would be both impracticable and contrary to the public interest because it would inhibit the Coast Guard's ability to protect the public and vessels from the hazards associated with the salvage operations discussed below.

Under 5 U.S.C. 553(d)(3), The Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

#### B. Basis and Purpose

The legal basis for the rule is the Coast Guard's authority to establish safety zones: 33 U.S.C. 1231; 33 CFR 1.05-1, 160.5; Department of Homeland Security Delegation No. 0170.1.

From October 17 through November 14, 2014, salvage operations will take place on the Chicago River in response to a sunken barge on the south branch of the Chicago River. The Captain of the Port Lake Michigan has determined that the salvage operations will pose a significant risk to public safety and property. This safety zone is necessary to protect emergency responders and transiting mariners from associated hazards, which potentially include vessel collisions in a narrow congested channel.

#### C. Discussion of the Final Rule

With the aforementioned hazards in mind, the Captain of the Port Lake Michigan has determined that this temporary safety zone is necessary to ensure the safety of vessels during salvage operations on the Chicago River. This safety zone will be in effect from October 17 through November 14, 2014. It will be enforced intermittently during this time with actual notice.

Additionally, advanced notice of enforcement times will be provided through Broadcast Notice to Mariners. This zone will encompass all waters on the south branch of the Chicago River between the Lake Street Bridge and the Randolph Street Bridge, Chicago, IL.

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or a designated on-scene representative. The Captain of the Port or a designated on-scene representative may be contacted via VHF Channel 16.

#### D. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on these statutes and executive orders.

##### 1. Regulatory Planning and Review

This rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, as supplemented by Executive Order 13563, Improving Regulation and Regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or under section 1 of Executive Order 13563. The Office of Management and

Budget has not reviewed it under those Orders.

We conclude that this rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zone created by this rule will be relatively small and enforced on an as needed basis. Under certain conditions, moreover, vessels may still transit through the safety zone when permitted by the Captain of the Port.

## 2. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered the impact of this temporary rule on small entities. This rule will affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit the south branch of the Chicago River between the Lake Street Bridge and the Randolph Street Bridge from October 17 through November 14, 2014.

This safety zone will not have a significant economic impact on a substantial number of small entities for the reasons cited in the *Regulatory Planning and Review* section. Additionally, before the enforcement of the zone, we will issue local Broadcast Notice to Mariners so vessel owners and operators can plan accordingly.

## 3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT**, above.

Small businesses may send comments on the actions of Federal employees

who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

## 4. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

## 5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and determined that this rule does not have implications for federalism.

## 6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

## 7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

## 8. Taking of Private Property

This rule will not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

## 9. Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

## 10. Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

## 11. Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

## 12. Energy Effects

This action is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

## 13. Technical Standards

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

## 14. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a safety zone and, therefore it is categorically excluded from further review under paragraph 34(g) of Figure 2–1 of the Commandant Instruction. An environmental analysis checklist supporting this determination and a Categorical Exclusion Determination are available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the

discovery of a significant environmental impact from this rule.

- 2. Add § 165.T09–0951 to read as follows:

#### § 165.T09–0951 Safety Zone; Salvage Operations, Chicago River, Chicago, IL.

(a) *Location.* All waters on the south branch of the Chicago River between the Lake Street Bridge and the Randolph Street Bridge, Chicago, IL.

(b) *Effective and enforcement period.* This rule is effective without actual notice from October 30, 2014 until November 14, 2014. For the purposes of enforcement, actual notice will be used from the date the rule was signed, October 17, 2014 until October 30, 2014. This rule will be enforced intermittently with actual notice.

(c) *Regulations.* (1) In accordance with the general regulations in § 165.23 of this part, entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Lake Michigan or a designated on-scene representative.

(2) This safety zone is closed to all vessel traffic, except as may be permitted by the Captain of the Port Lake Michigan or a designated on-scene representative.

(3) The “on-scene representative” of the Captain of the Port Lake Michigan is any Coast Guard commissioned, warrant or petty officer who has been designated by the Captain of the Port Lake Michigan to act on her behalf.

(4) Vessel operators desiring to enter or operate within the safety zone shall contact the Captain of the Port Lake Michigan or an on-scene representative to obtain permission to do so. The Captain of the Port Lake Michigan or her on-scene representative may be contacted via VHF Channel 16. Vessel operators given permission to enter or operate in the safety zone must comply with all directions given to them by the

Captain of the Port Lake Michigan or an on-scene representative.

Dated: October 17, 2014.

#### Federal Management Regulation; Donation of Surplus Personal Property

**AGENCY:** Office of Governmentwide Policy, General Services Administration (GSA).

**ACTION:** Final rule.

**SUMMARY:** The General Services Administration is amending the Federal Management Regulation (FMR) by changing its personal property policy. The changes include the addition of certain veterans organizations as eligible donation recipients, updating and clarifying language regarding the use of Standard Form 97, *The United States Government Certificate to Obtain Title to a Vehicle* (SF 97), instructing agencies to ensure against unauthorized use of blank copies of SF 97, making minor clarifying edits to existing policies, and removing and reserving certain regulations that are no longer required.

**DATES:** *Effective:* October 30, 2014.

**FOR FURTHER INFORMATION CONTACT:** Mr. Robert Holcombe, Office of Governmentwide Policy, Office of Asset and Transportation Management (MT), at 202–501–3828 or by email at [Robert.Holcombe@gsa.gov](mailto:Robert.Holcombe@gsa.gov) for clarification of content. For information pertaining to status or publication schedules contact the Regulatory Secretariat at 202–501–4755. Please cite FMR Case 2012–102–2.

#### SUPPLEMENTARY INFORMATION:

##### A. Background

GSA published a proposed rule in the **Federal Register** at 77 FR 50447 on August 21, 2012. As a result, two comments were received that suggested revisions or clarifications to Federal Acquisition Regulation (FAR) section 31.205–8 concerning whether contractor contributions or donations of contractor-

owned property to veterans organizations are allowable costs under a contract. Because that issue is outside the scope of this final rule, both submitters were provided with the procedures for suggesting changes to the FAR. Additionally GSA informed the submitters that Federal property used by contractors is screened for use and donation under the plant clearance processes contained in FAR part 45. Specifically, Federal property is made available for screening by other Federal agencies and eligible donees under FAR section 45.602–3. The proposed new subpart J, “Insuring Donated Property,” published in the proposed rule has been removed from this final rule because GSA determined that, as a general matter, the decision to acquire insurance rests with the recipient of the property. No other substantive changes have been made to that which was published as the proposed rule.

##### B. Changes

The changes in this final rule include (1) the addition of certain veterans organizations as eligible donation recipients as authorized by 40 U.S.C. 549(c)(3)(C); (2) updating and clarifying language regarding the use of Standard Form 97, *The United States Government Certificate to Obtain Title to a Vehicle* (SF 97), and instructing agencies to ensure against unauthorized use of blank copies of SF 97; (3) making minor clarifying edits to existing policies; and (4) removing and reserving current FMR sections 102–37.180 and 102–37.185 as screener identification cards are no longer required.

##### C. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This final rule is not a significant regulatory action, and therefore, was not subject to review under Section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This final rule is not a major rule under 5 U.S.C. 804.

##### D. Regulatory Flexibility Act

This final rule will not have a significant economic impact on a substantial number of small entities
