

The Exchange states that the purpose of this proposal is to eliminate an undue financial burden that is placed on the specialists as a result of these transactions.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act¹² in general, and furthers the objectives of section 6(b)(4) of the Act¹³ in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members. The Exchange believes, at this time, that the specialists should not pay a payment for order flow fee on these transactions as they are merely facilitating this order and they receive little benefit from this order.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has been designated as a fee change pursuant to section 19(b)(3)(A)(ii) of the Act¹⁴ and Rule 19b-4(f)(2)¹⁵ thereunder, because it establishes or changes a due, fee, or other charge imposed by the Exchange. Accordingly, the proposal will take effect upon filing with the Commission. At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
