

of Respondents: 56; Total Annual Responses: 56; Total Annual Hours: 280. (For policy questions regarding this collection contact Donna Schmidt at 410-786-5532. For all other issues call 410-786-1326.)

2. Type of Information Collection

Request: Reinstatement with change of a previously approved collection; **Title of Information Collection:** Business Proposal Forms for Quality Improvement Organizations (QIOs); **Use:** The submission of proposal information by current quality improvement associations (QIOs) and other bidders, on the appropriate forms, will satisfy CMS's need for meaningful, consistent, and verifiable data with which to evaluate contract proposals. The data collected on the forms associated with this information collection request is used by CMS to negotiate QIO contracts. The revised business proposal forms will be useful in a number of important ways. The Government will be able to compare the costs reported by the QIOs on the cost reports to the proposed costs noted on the business proposal forms. Subsequent contract and modification negotiations will be based on historic cost data. The business proposal forms will be one element of the historical cost data from which we can analyze future proposed costs. In addition, the business proposal format will standardize the cost proposing and pricing process among all QIOs. With well-defined cost centers and line items, proposals can be compared among QIOs for reasonableness and appropriateness. **Form Number:** CMS-718-721 (OMB#: 0938-0579); **Frequency:** Reporting—Triennially; **Affected Public:** Business or other for-profits and Not-for-profit institutions; **Number of Respondents:** 21; **Total Annual Responses:** 21; **Total Annual Hours:** 1,785. (For policy questions regarding this collection contact Clarissa Whatley at 410-786-7154. For all other issues call 410-786-1326.)

3. Type of Information Collection

Request: Reinstatement without change of a previously approved collection; **Title of Information Collection:** End Stage Renal Disease (ESRD) Network Semi-Annual Cost Report Forms and Supporting Regulations in 42 CFR 405.2110 and 42 CFR 405.2112; **Use:** Section 1881(c) of the Social Security Act establishes End Stage Renal Disease (ESRD) Network contracts. The regulations found at 42 CFR 405.2110 and 405.2112 designated 18 ESRD

Networks which are funded by renewable contracts. These contracts are on 3-year cycles. To better administer the program, CMS is requiring contractors to submit semi-annual cost reports. The purpose of the cost reports is to enable the ESRD Networks to report costs in a standardized manner. This will allow CMS to review, compare and project ESRD Network costs during the life of the contract. **Form Number:** CMS-685 (OMB#: 0938-0657); **Frequency:** Reporting—Semi-annually; **Affected Public:** Not-for-profit institutions; **Number of Respondents:** 18; **Total Annual Responses:** 36; **Total Annual Hours:** 108. (For policy questions regarding this collection contact Victoria Morgan at 410-786-7232. For all other issues call 410-786-1326.)

Agency Information Collection Activities: Proposed Collection: Comment Request

In compliance with the requirement for opportunity for public comment on proposed data collection projects

(section 3506(c)(2)(A) of Title 44, United States Code, as amended by the Paperwork Reduction Act of 1995, Pub. L. 104-13), the Health Resources and Services Administration (HRSA) publishes periodic summaries of proposed projects being developed for submission to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995. To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, e-mail paperwork@hrsa.gov or call the HRSA Reports Clearance Officer at (301) 443-1129.

Comments are invited on: (a) The proposed collection of information for the proper performance of the functions of the agency; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Federally Qualified Health Centers (FQHC) Application Forms: (OMB No. 0915-0285 Revisions)

HRSA's Bureau of Primary Health Care Federally Qualified Health Centers (FQHCs) are a major component of America's health care safety net, the Nation's "system" of providing health care to low-income and other vulnerable populations. Health Centers care for people regardless of their ability to pay and whether or not they have health insurance. They provide primary and preventive health care, as well as services such as transportation and translation. Many Health Centers also offer dental, mental health and substance abuse care.

FQHC's are administered by the Health Resources and Services Administration's (HRSA) Bureau of Primary Health Care (BPHC). HRSA uses the following application forms to administer and manage the FQHCs. These application forms are used by new and existing FQHCs to apply for grant and non-grant opportunities, renew their grant or non-grant opportunities or change their scope of project.

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more

information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: SAMHSA Application for Peer Grant Reviewers (OMB No. 0930-0255)—Extension

Section 501(h) of the Public Health Service (PHS) Act (42 U.S.C. 290aa) directs the Administrator of the Substance Abuse and Mental Health Services Administration (SAMHSA) to establish such peer review groups as are needed to carry out the requirements of Title V of the PHS Act. SAMHSA administers a large discretionary grants

program under authorization of Title V, and, for many years, SAMHSA has funded grants to provide prevention and treatment services related to substance abuse and mental health.

In support of its grant peer review efforts, SAMHSA desires to continue to expand the number and types of reviewers it uses on these grant review committees. To accomplish that end, SAMHSA has determined that it is important to proactively seek the inclusion of new and qualified representatives on its peer review groups. Accordingly SAMHSA has developed an application form for use by individuals who wish to apply to serve as peer reviewers.

The application form has been developed to capture the essential information about the individual applicants. Although consideration was given to requesting a resume from interested individuals, it is essential to have specific information from all applicants about their qualifications. The most consistent method to accomplish this is through completion of a standard form by all interested persons which captures information about knowledge, education, and experience in a consistent manner from all interested applicants. SAMHSA will use the information provided on the
