Abstract: As codified in 25 U.S.C. 4001, The American Indian Trust Fund Management Reform Act of 1994 (the Reform Act) makes provisions for the Bureau of Trust Funds Administration (formerly known as the Office of the Special Trustee for American Indians) to administer trust fund accounts for individuals and tribes. This collection of information is required to fulfill the mission of the Bureau of Trust Funds Administration (BTFA) and the Secretary of the Interior's responsibility for evaluating all Public Law 93–638 Compact Tribes administering or managing trust programs, functions, services, and/or activities on behalf of the Secretary of the Interior. This responsibility is federally mandated pursuant to 25 U.S.C. 458cc(d) and 25 CFR 1000.350. The BTFA, Office of Trust Risk, Evaluation and Compliance currently performs the evaluations by collecting Tribal trust data and documentation from approximately 126 Compacted Tribes. These evaluations are conducted by performing desk reviews (via email questionnaires, and teleconferences), and on-site visits. The

results are documented in a final report which is submitted to the Tribe(s) with copies to select government officials. The data is also reported in the annual report to Congress through the Office of Self-Governance.

The original 2018 request for the OMB Form 1035–0005 to be approved included language regarding the automation of the questionnaires that make up the 1035–0005 collection. This would have provided the Compacted Tribes access to the questionnaires through a Tribal Evaluation System (TES) that the Office of the Special Trustee for American Indians (OST) was developing. System development reviews identified a number of problematic issues with TES, including potential vulnerabilities to the system. As a result, the system development ended, which lead to the system being formally decommissioned by OST in 2020. This request for renewal of 1035–0005 is for the continued approved use of the collection (questionnaires) only.

Abstract: The BIA is seeking renewal of the approval for the information collection conducted under 25 U.S.C. 43, 36 Stat. 472, inter alia, and implementing regulations, at 25 CFR part 5, regarding verification of Indian preference for employment. The purpose of Indian preference is to encourage qualified Indian persons to seek employment with the BIA and the Indian Health Service (IHS) by offering preferential treatment to qualified candidates of Indian heritage. The information collection relates only to individuals applying for employment with the BIA and/or IHS. The tribe's involvement is limited to verifying membership information submitted by the applicant. The collection of information allows certain persons who are of Indian descent to receive preference when appointments are made to vacancies in positions with the BIA and the IHS as well as in any unit that has been transferred intact from the BIA to a Bureau or office within the Department of the Interior or the Department of Health and Human Services and that continues to perform functions formerly performed as part of the BIA and the IHS. You are eligible for preference if (a)

you are a member of a federally recognized Indian tribe; (b) you are a descendent of a member and you were residing within the present boundaries of any Indian reservation on June 1, 1934; (c) you are an Alaska native; or (d) you possess one-half degree Indian blood derived from tribes that are indigenous to the United States.
