

h. Negotiate, enter into, and/or manage licensing agreements for the export of Technology Rights; and
i. Enter into contracts for shipping.

2. SGS and individual Suppliers may regularly exchange information on a one-on-one basis regarding that Supplier's inventories and near-term production schedules in order that the availability of Products for export can be determined and effectively coordinated by SGS with its distributors in Export Markets.

Definition

"Supplier" means a person who produces, provides, or sells Products, Services, and/or Technology Rights.

Dated: May 3, 2010.

Joseph E. Flynn,

Director, Office of Competition and Economic Analysis.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

International Trade Administration

[Application No. 88-12A16]

Export Trade Certificate of Review

ACTION: Notice of Application (#88-12A16) to Amend the Export Trade Certificate of Review Issued to Wood Machinery Manufacturers of America, Application no. 88-00016.

SUMMARY: Export Trading Company Affairs ("ETCA") of the International Trade Administration, Department of Commerce, has received an application to amend an Export Trade Certificate of Review ("Certificate"). This notice summarizes the proposed amendment and requests comments relevant to whether the amended Certificate should be issued.

FOR FURTHER INFORMATION CONTACT: Jeffrey Anspacher, Acting Director, Office of Competition and Economic Analysis, International Trade Administration, (202) 482-5131 (this is not a toll-free number) or E-mail at onetca@ita.doc.gov.

SUPPLEMENTARY INFORMATION: Title III of the Export Trading Company Act of 1982 (15 U.S.C. 4001-21) authorizes the Secretary of Commerce to issue Export Trade Certificates of Review. An Export Trade Certificate of Review protects the holder and the members identified in the Certificate from State and Federal government antitrust actions and from private treble damage antitrust actions for the export conduct specified in the Certificate and carried out in

compliance with its terms and conditions. Section 302(b)(1) of the Export Trading Company Act of 1982 and 15 CFR 325.6(a) require the Secretary to publish a notice in the **Federal Register** identifying the applicant and summarizing its proposed export conduct.

Request for Public Comments

Interested parties may submit written comments relevant to the determination whether an amended Certificate should be issued. If the comments include any privileged or confidential business information, it must be clearly marked and a nonconfidential version of the comments (identified as such) should be included. Any comments not marked as privileged or confidential business information will be deemed to be nonconfidential. An original and five (5) copies, plus two (2) copies of the nonconfidential version, should be submitted no later than 20 days after the date of this notice to: Export Trading Company Affairs, International Trade Administration, U.S. Department of Commerce, Room 7021-X, Washington, DC 20230. Information submitted by any person is exempt from disclosure under the Freedom of Information Act (5 U.S.C. 552). However, nonconfidential versions of the comments will be made available to the applicant if necessary for determining whether or not to issue the Certificate. Comments should refer to this application as "Export Trade Certificate of Review, application number 88-12A16."

The Wood Machinery Manufacturers of America's ("WMMA") original Certificate was issued on February 3, 1989 (54 FR 6312, February 9, 1989), and last amended on December 24, 2009 (75 FR 1335, January 11, 2010). A summary of the current application for an amendment follows.

Summary of the Application

Applicant: Wood Machinery Manufacturers of America ("WMMA"), 100 North 20th Street, 4th Floor, Philadelphia, PA 19103-1443.

Contact: Harold Zassenhaus, Export Consultant, Telephone: (301) 652-0693.

Application No.: 88-12A16.

Date Deemed Submitted: April 26, 2010.

Proposed Amendment: WMMA seeks to amend its Certificate to:

1. Add the following companies as a new "Member" of the Certificate within the meaning of section 325.2(l) of the Regulations (15 CFR 325.2(l)): Precision Drive Systems LLC, Bessemer City, NC; Vortex Tool Company, Inc., Schofield, WI; and Williams & Hussey Machine Co., Inc., Milford, NH, and

2. Delete the following company as a Member of WMMA's Certificate: CTD Machines, Inc., Los Angeles.

Dated: May 3, 2010.

Joseph E. Flynn,

Director, Office of Competition and Economic Analysis.

Polyethylene Retail Carrier Bags From Malaysia: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 7, 2010.

FOR FURTHER INFORMATION CONTACT:

Jerrold Freeman or Richard Rimlinger, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC, 20230; telephone: (202) 482-0180 or (202) 482-4477, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on polyethylene retail carrier bags from Malaysia for the period August 1, 2008, through July 31, 2009. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 74 FR 48224 (September 22, 2009).

As explained in the memorandum from the Deputy Assistant Secretary for Import Administration, we have exercised our discretion to toll deadlines for the duration of the closure of the Federal Government from February 5 through February 12, 2010. Thus, all deadlines in this review have been extended by seven days. The revised deadline for the final results of this administrative review is currently May 10, 2010. See Memorandum to the Record from Ronald Lorentzen, DAS for Import Administration, regarding "Tolling of Administrative Deadlines As a Result of the Government Closure During the Recent Snowstorm," dated February 12, 2010.

Extension of Time Limit for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. If it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month. *See also* 19 CFR 351.213(h)(2).

We determine that it is not practicable to complete the preliminary results of this administrative review by the current deadline of May 10, 2010, because we are continuing to examine the operating status of the sole respondent, Europlastics Malaysia Sdn. Bhd. Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), we are partially extending the time period for issuing the preliminary results of this review by 30 days until June 9, 2010.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act and 19 CFR 351.213(h)(2).

Dated: May 3, 2010.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

BILLING CODE 3510-DS-S

DEPARTMENT OF COMMERCE

National Institute of Standards and Technology

Announcement of Body Armor Research Needs Meeting

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of meeting.

SUMMARY: The National Institute of Standards and Technology (NIST) invites interested parties to attend a one-day High Strength Fiber and Body Armor Research Needs Meeting. The Meeting will provide a forum to discuss test methods, technologies, and R&D that can significantly improve ballistic protection through the examination of such issues as material longevity, new materials, and improved testing

methodologies for body armor (e.g., improved blunt trauma measurement and correlation to injury).

DATES: The Body Armor Research Needs Meeting will be held June 15, 2010. The workshop will be held from 9 a.m. to 5 p.m. Members of the public wishing to attend the meeting must notify Cindy Stanley by C.O.B June 4, 2010, per instructions under the **SUPPLEMENTARY INFORMATION** section of this notice.

ADDRESSES: The workshop will be held at the National Institute of Standards and Technology (NIST), 100 Bureau Drive, Building 101, Lecture Room B, Gaithersburg, MD 20899.

FOR FURTHER INFORMATION CONTACT: Cindy Stanley, 100 Bureau Dr. M/S 8102, Gaithersburg, MD 20899-8102, 301-975-2756, stanleyc@nist.gov.

SUPPLEMENTARY INFORMATION: The Meeting program will include experts from the standards, research, and testing communities. Presentations on today's challenges in body armor and material longevity research will be given. Among the topics to be discussed are the need for the formation of research collaborations between the manufacturing community (including fiber producers, fabric producers, and armor manufacturers) and government and academic researchers.

The goal of the meeting is to identify potential areas for research collaboration between body armor industry representatives and the Federal Government. In this regard, the Meeting will explore:

- Life Cycle Testing for Body Armor
 - Improved Test Methods for Body Armor
 - The Role of Federal Agencies and Standards Committees
 - Opportunities for Collaboration
- We expect this workshop to provide a strong foundation for follow-on efforts among government agencies, industry, and academia to
- Identify/define research needs for body armor
 - Develop performance standards
 - Demonstrate performance metrics

All visitors to the National Institute of Standards and Technology site will have to pre-register to be admitted. Anyone wishing to attend this meeting must register by C.O.B June 4, 2010 in order to attend. Please submit your name, e-mail address, and phone number to Cindy Stanley, and you will be provided instructions for admittance. Non-U.S. citizens must also submit their country of citizenship, passport issuing country, passport number, city of birth, country of birth, date of birth, gender, title, phone number, current mailing address, employer/sponsor, phone and

address. Cindy Stanley's e-mail address stanleyc@nist.gov and her phone number is (301) 975-2756.

Dated: May 3, 2010.

Katharine B. Gebbie,

Director, Physics Laboratory.
