**Atlantic Highly Migratory Species; Meeting of the Atlantic Highly Migratory Species Advisory Panel**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of public webinar/conference call.

**SUMMARY:** NMFS will hold a 3-day Atlantic Highly Migratory Species (HMS) Advisory Panel (AP) meeting via webinar in May 2025. The intent of the meeting is to consider options for the conservation and management of Atlantic HMS. The meeting is open to the public.

**DATES:** The AP meeting and webinar will be held on Tuesday, May 6, from 9:30 a.m. to 5 p.m. ET; Wednesday, May 7, from 9:30 a.m. to 5 p.m. ET; and Thursday, May 8, from 9 a.m. to 12 p.m. ET.

**ADDRESSES:** The meeting will be accessible via WebEx conference call and webinar. Conference call and webinar access information are available at: <https://www.fisheries.noaa.gov/event/may-2025-hms-advisory-panel-meeting>.

Participants are strongly encouraged to log/dial in 15 minutes prior to the meeting. NMFS will show the presentations via webinar and allow public comment during identified times on the agenda.

**FOR FURTHER INFORMATION CONTACT:**

Peter Cooper ([peter.cooper@noaa.gov](mailto:peter.cooper@noaa.gov)) or Anna Quintrell ([anna.quintrell@noaa.gov](mailto:anna.quintrell@noaa.gov)) at 301-427-8503.

**SUPPLEMENTARY INFORMATION:** Atlantic HMS fisheries (tunas, swordfish, sharks, and billfish) are managed under the 2006 Consolidated Atlantic HMS Fishery Management Plan (FMP) and its amendments pursuant to the authority of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act; 16 U.S.C. 1801 *et seq.*) and consistent with the Atlantic Tunas Convention Act (16 U.S.C. 971 *et seq.*). HMS implementing regulations are at 50 CFR part 635.

The Magnuson-Stevens Act requires the establishment of APs and requires NMFS to consult with and consider the comments and views of AP members during the preparation and implementation of FMPs or FMP amendments (16 U.S.C. 1854(g)(1)(A)–

(B)). NMFS meets with the HMS AP approximately twice each year to consider potential alternatives for the conservation and management of Atlantic tunas, swordfish, billfish, and shark fisheries, consistent with the Magnuson-Stevens Act. Generally, AP meetings are held in-person, but because of current restrictions on travel this AP meeting will be conducted via webinar.

Some of the discussion topics are:

- HMS rulemaking updates;
- Outcomes of the 2024 International Commission for the Conservation of Atlantic Tunas Annual Meeting; and
- Atlantic bluefin tuna fishery update.

We anticipate inviting other NMFS offices and the U.S. Coast Guard to provide updates, if available, on their activities relevant to HMS fisheries. Additional information on the meeting and a copy of the draft agenda will be posted prior to the meeting (see **ADDRESSES**).

Requests for sign language interpretation or other auxiliary aids should be directed to Peter Cooper at 301-427-8503, at least 7 days prior to the meeting.

Dated: April 11, 2025.

**Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to the City of Ketchikan's Berth III Mooring Dolphins Project in Ketchikan, Alaska**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; proposed incidental harassment authorization; request for comments on proposed authorization and possible renewal.

**SUMMARY:** NMFS has received a request from the City of Ketchikan (COK), Alaska, for authorization to take marine mammals incidental to the Berth III Mooring Dolphins Project in the Port of Ketchikan in the Tongass Narrows, Alaska. Pursuant to the Marine Mammal Protection Act (MMPA), NMFS requests comments on its proposal to issue an

incidental harassment authorization (IHA) to incidentally take marine mammals during the specified activities. NMFS also requests comments on a possible one-time, 1-year renewal that could be issued under certain circumstances, and, if all requirements are met, as described in Request for Public Comments at the end of this notice. NMFS will consider public comments before making any final decision on issuing the requested MMPA authorization, and agency responses will be summarized in the final notice of our decision.

**DATES:** Comments and information must be received no later than May 16, 2025.

**ADDRESSES:** Comments should be addressed to Jolie Harrison, Chief, Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service, and should be submitted via email to [ITP.Graham@noaa.gov](mailto:ITP.Graham@noaa.gov). Electronic copies of the application and supporting documents, as well as a list of the references cited in this document, may be obtained online at <https://www.fisheries.noaa.gov/national/marine-mammal-protection/incidental-take-authorizations-construction-activities>. In case of problems accessing these documents, please call the contact listed below.

**Instructions:** NMFS is not responsible for comments sent by any other method, to any other address or individual, or received after the end of the comment period. Comments, including all attachments, must not exceed a 25-megabyte file size. All comments received are a part of the public record and will generally be posted online at <https://www.fisheries.noaa.gov/permit/incidental-take-authorizations-under-marine-mammal-protection-act> without change. All personal identifying information (e.g., name, address) voluntarily submitted by the commenter may be publicly accessible. Do not submit confidential business information or otherwise sensitive or protected information.

**FOR FURTHER INFORMATION CONTACT:**

Krista Graham, Office of Protected Resources, NMFS, (301) 427-8401.

**SUPPLEMENTARY INFORMATION:****Background**

The MMPA prohibits the “take” of marine mammals, with certain exceptions. Sections 101(a)(5)(A) and (D) of the MMPA (16 U.S.C. 1361 *et seq.*) direct the Secretary of Commerce (as delegated to NMFS) to allow, upon request, the incidental, but not intentional, taking of small numbers of marine mammals by U.S. citizens who
