SUPPLEMENTARY INFORMATION:

A. Background

This interim rule revises DFARS 236.601 to implement Section 1031(a)(37) of the National Defense Authorization Act for Fiscal Year 2004 (Public Law 108-136). Section 1031(a)(37) amended the requirements at 10 U.S.C. 2807, for submission of a notification to Congress before the award of a contract for architectural and engineering services or construction design in connection with military construction, military family housing, or restoration or replacement of damaged or destroyed facilities. The amendments increased the contract dollar threshold for submission from \$500,000 to \$1,000,000; and reduced the time period for submission, from 21 to 14 days before obligation of funds, when the notification is provided in electronic medium.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule relates to reporting requirements that are internal to the Government. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should be submitted

separately and should cite DFARS Case 2006–D015.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination to Issue an Interim Rule

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements Section 1031(a)(37) of the National Defense Authorization Act for Fiscal Year 2004 (Public Law 108–136). Section 1031(a)(37) amended the statutory requirements for submission of a notification to Congress before the award of a contract for architectural and engineering services or construction design in connection with military construction, military family housing, or restoration or replacement of damaged or destroyed facilities. Comments received in response to this interim rule will be considered in the formation of the final rule.

SUPPLEMENTARY INFORMATION:

A. Background

This interim rule amends DFARS provisions and clauses to implement the Dominican Republic-Central America-United States Free Trade Agreement, with respect to Guatemala, and the United States-Bahrain Free Trade Agreement. Congress approved these trade agreements in the Dominican Republic-Central America-United States Free Trade Agreement Implementation Act (Public Law 109–53) and the United States-Bahrain Free Trade Agreement Implementation Act (Public Law 109–169).

The rule adds Bahrain and Guatemala to the definition of “Free Trade Agreement country.” In addition, the rule removes Guatemala from the definition of “Caribbean Basin country” because, in accordance with Section 201(a)(3) of Public Law 109–53, when the Dominican Republic-Central America-United States Free Trade Agreement enters into force with respect to a country, that country is no longer designated as a beneficiary country for purposes of the Caribbean Basin Economic Recovery Act.
