

any number of research and policy questions related to cross-border trade in services.

The form remains the same as in the past. No changes in the data collected or in exemption levels are proposed.

II. Method of Collection

Survey forms will be sent to U.S. companies each quarter; responses will be due within 45 days after the close of each fiscal quarter, except for the final quarter of the fiscal year, when the reports are due within 90 days after the close of the quarter. Potential respondents are U.S. business enterprises and not-for-profit institutions that have receipts from unaffiliated foreign persons in any of the types of transactions covered by the survey greater than \$6 million for the prior calendar year or that are expected to be greater than \$6 million in the current calendar year; or that have payments to unaffiliated foreign persons in any of the types of transactions covered by the survey greater than \$4 million for the prior calendar year or that are expected to be greater than \$4 million in the current calendar year. The data collected are cut-off sample data. In addition, estimates are developed based upon previously reported or estimated data for non-respondents, including those companies that fall below the reporting threshold for the survey.
