SECURITIES AND EXCHANGE COMMISSION

[File No. 500-1]

Stream Communications Network & Media, Inc.; Order of Suspension of Trading

June 14, 2012.

It appears to the Securities and Exchange Commission that there is a lack of current and accurate information concerning the securities of Stream Communications Network & Media, Inc. because it has not filed any periodic reports since the period ended December 31, 2008.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the security of the above-listed company is suspended for the period from 9:30 a.m. EDT on June 14, 2012, through 11:59 p.m. EDT on June 27, 2012.

By the Commission.

Elizabeth M. Murphy,

Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67178; File No. SR-NYSEArca-2012-60]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change Amending Commentary .07 to NYSE Arca Rule 6.4 Allowing the Exchange To Open Short Term Option Series That Are Opened by Other Securities Exchanges in Option Classes Selected by Other Exchanges Under Their Respective Short Term Option Rules

June 11, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on June 6, 2012, NYSE Arca, Inc. (the "Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Commentary .07 to NYSE Arca Rule 6.4 to allow the Exchange to open Short Term Option Series ("Weeklies") that are opened by other securities exchanges in option classes selected by other exchanges under their respective short term option rules. The text of the proposed rule change is available on the Exchange's Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received

on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to amend Commentary .07 to NYSE Arca Rule 6.4 to allow the Exchange to open Short Term Option Series ("Weeklies") that are opened by other securities exchanges in option classes selected by other exchanges under their respective short term option rules.³

Currently, the Exchange may select up to 5 currently listed option classes on which Weeklies options may be opened in the Weeklies Program and the Exchange may also match any option classes that are selected by other securities exchanges that employ a similar program under their respective rules. For each option class eligible for participation in the Weeklies Program, the Exchange may open up to 30 Short Term Option Series for each expiration date in that class.

This proposal seeks to allow the Exchange to open Weeklies option series that are opened by other securities exchanges in option classes selected by other exchanges under their respective short term option rules. This change is being proposed notwithstanding the current cap of 30 series per class under the Weeklies Program. This is a competitive filing and is based on existing rules of The NASDAQ Stock Market LLC for the NASDAQ Options Market ("NOM") and NASDAQ OMX PHLX, Inc. ("PHLX") and Chicago Board Options Exchange, Incorporated ("CBOE").⁴

NYSE Arca is competitively disadvantaged since it operates a substantially similar Weeklies Program as NOM, PHLX and CBOE but is limited to listing a maximum of 30 series per

³ On July 12, 2005, the Commission approved the Weeklies Program on a pilot basis. See Securities Exchange Act Release No. 52013 (July 12, 2005), 70 FR 41471 (July 19, 2005) (SR-PCX-2005-32). The Weeklies Program was made permanent on June 23, 2010. See Securities Exchange Act Release No. 62369 (June 23, 2010), 75 FR 37868 (June 30, 2010) (SR-NYSEArca-2010-59).

⁴ See Securities Exchange Act Release Nos. 65775 (November 17, 2011), 76 FR 72473 (November 23, 2011) (SR-NASDAQ-2011-138); 65776 (November 17, 2011), 76 FR 72482 (November 23, 2011) (SR-PHLX-2011-131); and 66563 (March 9, 2012), 77 FR 15426 (March 15, 2012).

² 17 CFR 240.19b-4.

options class that participates in its Weeklies Program (whereas PHLX, NOM and CBOE are not similarly restricted).

The Exchange is not proposing any changes to the Weeklies Program other than the ability to open Weeklies option series that are opened by other securities exchanges in option classes selected by other exchanges under their respective short term option rules.

The Exchange notes that the Weeklies Program has been well-received by market participants, in particular by retail investors. The Exchange believes that the current proposed revision to the Weeklies Program will permit the Exchange to meet increased customer demand and provide market participants with the ability to hedge in a greater number of option classes and series.

With regard to the impact of this proposal on system capacity, the Exchange has analyzed its capacity and represents that it and the Options Price Reporting Authority ("OPRA") have the necessary systems capacity to handle the potential additional traffic associated with trading of an expanded number of series for the classes that participate in the Weeklies Program.

The proposed increase to the number of series per classes eligible to participate in the Weeklies Program is required for competitive purposes as well as to ensure consistency and uniformity among the competing options exchanges that have adopted similar Weeklies Programs.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),⁵ in general, and furthers the objectives of Section 6(b)(5),⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. The Exchange believes that expanding the Weeklies Program will result in a continuing benefit to investors by giving them more flexibility to closely tailor their investment decisions and hedging decisions in a greater number of securities. The Exchange also believes that expanding the Weeklies Program will provide the investing public and

other market participants with additional opportunities to hedge their investment thus allowing these investors to better manage their risk exposure. While the expansion of the Weeklies Program will generate additional quote traffic, the Exchange does not believe that this increased traffic will become unmanageable since the proposal remains limited to a fixed number of classes.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not significantly affect the protection of investors or the public interest, does not impose any significant burden on competition, and, by its terms, does not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸

The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiver of the operative delay is consistent with the protection of investors and the public interest because the proposal is substantially similar to those of other exchanges that have been approved by the Commission and permit such exchanges to open Weekly option series that are opened by other securities exchanges under their respective short term option rules.⁹

⁷ 15 U.S.C. 78s(b)(3)(A).

⁸ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires the Exchange to give the Commission written notice of the Exchange's intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

⁹ See *supra* note 4.

Therefore, the Commission designates the proposal operative upon filing.¹⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–67186; File No. SR–NYSEArca–2012–59]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing of Proposed Rule Change Amending Independence Policy of the Board of Directors of NYSE Euronext and Creating New Independence Policy for Boards of Directors of the New York Stock Exchange LLC, NYSE MKT LLC, NYSE Regulation, Inc. and NYSE Market, Inc.

June 12, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² notice is hereby given that on June 8, 2012, NYSE Arca, Inc. (“NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by NYSE Arca. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

NYSE Arca proposes to amend the Independence Policy of the Board of Directors of NYSE Euronext (the “NYSE Euronext Director Independence Policy”) and create a new independence policy (the “Subsidiary Director Independence Policy”) for the boards of directors of NYSE MKT LLC (“NYSE MKT”), New York Stock Exchange LLC (“the Exchange”), NYSE Market, Inc. (“NYSE Market”) and NYSE Regulation, Inc. (“NYSE Regulation” and, together,

the “Regulated Subsidiaries”).³ In addition, NYSE MKT proposes to amend the Amended and Restated Bylaws of NYSE Euronext, the Amended and Restated Bylaws of NYSE Market, Inc., Third Amended and Restated Bylaws of NYSE Regulation, Inc., the Third Amended and Restated Operating Agreement of New York Stock Exchange LLC and the Second Amended and Restated Operating Agreement of NYSE MKT LLC (collectively the “Organizational Documents”) to make certain conforming changes described below. The text of the proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NYSE Arca included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. NYSE Arca has prepared summaries, set forth in sections A, B and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule filing is to amend the NYSE Euronext Director Independence Policy, create the Subsidiary Director Independence Policy for the boards of directors of the Regulated Subsidiaries, and make certain conforming changes to the Organizational Documents, as set forth below.

NYSE Euronext Director Independence Policy

Under the Proposed Rule Change, the NYSE Euronext Director Independence Policy would be amended to reflect the following changes (the “Proposed Amendments”):

(i) A majority (as opposed to 75%) of the board of directors of NYSE Euronext (the “Board”) would be required to be independent;

(ii) Executive officers of listed companies would no longer be

prohibited from being considered independent for purposes of the Board;

(iii) The “additional independence requirements” at the end of the current NYSE Euronext Director Independence Policy—which provide that executive officers of foreign private issuers, executive officers of NYSE Euronext and directors of affiliates of member organizations must together comprise no more than a minority of the total Board—would be eliminated;

(iv) References to certain European regulatory authorities would be updated, because their names have changed;

(v) References to NYSE Alternext US LLC and NYSE Amex LLC would refer instead to NYSE MKT LLC, because of this entity’s previous name changes; and

(vi) Footnote 2 would be deleted because the NYSE Euronext Director Independence Policy would not be applicable to the Regulated Subsidiaries, each of which is proposed to have its own director independence policy.

The Commission previously considered and approved these aspects of the director independence policy in connection with the previously proposed combination of NYSE Euronext and Deutsche Börse AG (the “Combination”).⁴ Under the rule change approved in connection with the Combination, Alpha Beta Netherlands Holding N.V. (“Holdco”)—which was the holding company formed in connection with the Combination that would have become the parent company of NYSE Euronext—would have adopted a director independence policy that was substantially similar to the current NYSE Euronext Director Independence Policy, except for the Proposed Amendments noted above and except for certain references to the independence standards and criteria in the Dutch Corporate Governance Code that would be added, given that Holdco was formed under and subject to the laws of the Netherlands. Upon consummation of the Combination, the NYSE Euronext Director Independence Policy would have ceased to apply. On February 2, 2012, following the European Commission’s decision to prohibit the Combination, NYSE Euronext and Deutsche Börse agreed to terminate the agreement to combine their businesses.

NYSE Arca explained the reasons for incorporating the Proposed Amendments in Holdco’s director
