A. Overview of Information Collection

Title of Information Collection: Disaster Recovery Grant Reporting System—Revision to add Hurricane Sandy and other Disaster Grants.

OMB Approval Number: 2506-0165.

Type of Request: Revision of a currently approved collection.

Form Number: SF-424 Application for Federal Assistance.

Description of the need for the information and proposed use: The Disaster Recovery Grant Reporting (DRGR) System is a grants management system used by the Office of Community Planning and Development to monitor special appropriation grants under the Community Development Block Grant program. This collection pertains to Community Development Block Grant Disaster Recovery (CDBG-DR) and Neighborhood Stabilization Program (NSP) grant appropriations.

The CDBG program is authorized under Title I of the Housing and Community Development Act of 1974, as amended. Following major disasters, Congress appropriates supplemental CDBG funds for disaster recovery. According to Section 104(e)(1) of the Housing and Community Development Act of 1974, HUD is responsible for reviewing grantees' compliance with applicable requirements and their continuing capacity to carry out their programs. Grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute, based on their unmet disaster recovery needs.

Respondents (i.e. affected public): DRGR is used to monitor CDBG-DR, NSP, and NSP-TA grants, as well as several programs that do not fall under the Office of Block Grant Assistance.
