#### **Certain Corrosion-Resistant Steel Products From the Republic of Türkiye: Amended Preliminary Determination of Sales at Less Than Fair Value**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On April 10, 2025, the U.S. Department of Commerce (Commerce) published its preliminary determination in the less-than-fair-value investigation of certain corrosion-resistant steel products (CORE) from the Republic of Türkiye (Türkiye) in the **Federal Register**. Commerce is amending this preliminary determination to correct a significant ministerial error.

**DATES:** Applicable May 9, 2025.

**FOR FURTHER INFORMATION CONTACT:** Olivia Woolverton or Brittany Bauer, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–7452 or (202) 482–3860, respectively.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On April 10, 2025, Commerce published in the **Federal Register** the *Preliminary Determination* in the less-than-fair-value investigation of CORE from Türkiye.<sup>1</sup> On April 14, 2025, Steel Dynamics, Inc., Nucor Corporation, United States Steel Corporation, Wheeling-Nippon Steel, Inc., and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL–CIO, CLC

(collectively, the petitioners) filed a timely ministerial error allegation concerning the *Preliminary Determination*.<sup>2</sup>

#### **Scope of the Investigation**

The product covered by this investigation is CORE from Türkiye. For a complete description of the scope of this investigation, *see* the appendix to this notice.

#### **Legal Framework**

A ministerial error is defined in 19 CFR 351.224(f) as “an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.” A significant ministerial error is defined as a ministerial error, the correction of which, singly or in combination with other errors, would result in: (1) a change of at least five absolute percentage points in, but not less than 25 percent of, the weighted-average dumping margin calculated in the original preliminary determination; or (2) a difference between a weighted-average dumping margin of zero or *de minimis* and a weighted-average dumping margin of greater than *de minimis* or vice versa.<sup>3</sup> In accordance with 19 CFR 351.224(e), Commerce “will analyze any comments received and, if appropriate, correct any significant ministerial error by amending the preliminary determination.”

#### **Analysis of Significant Ministerial Error**

In the *Preliminary Determination*, Commerce calculated the foreign unit price in dollars (FUPDOL) for Borcelik.<sup>4</sup> The petitioners allege that, in calculating Borcelik’s FUPDOL, Commerce made a currency conversion into U.S. dollars for certain values (*i.e.*, the home market net price and difference-in-merchandise adjustment), which were already denominated in U.S. dollars.<sup>5</sup> After analyzing this allegation, we determine that we made

<sup>2</sup> See Petitioners’ Letter, “Petitioners’ Comments on Significant Ministerial Error in the Preliminary Determination,” dated April 14, 2025 (Petitioners’ Ministerial Error Allegation).

<sup>3</sup> See 19 CFR 351.224(g)(1) and (2).

<sup>4</sup> Commerce has determined that Borcelik is a single entity which consists of Borcelik Celik Sanayii Ticaret A.Ş., ArcelorMittal Celik Ticaret A.Ş., Bamesa Celik Servis San. Ve Tic. A.Ş. and Bamesa Muradiye Demir Celik San. Ve Tic. A.Ş. See Memorandum, “Single-Entity Analysis for Borcelik Celik Sanayii Ticaret A.Ş. and Affiliated Companies,” dated April 3, 2025.

<sup>5</sup> See Petitioners’ Ministerial Error Allegation.

an error with respect to the calculation of Borcelik’s FUPDOL. Further, we find that this miscalculation is “an error in addition, subtraction, or other arithmetic function” that resulted from Commerce not appropriately accounting for the currency in which certain values are denominated. Thus, this error constitutes a ministerial error in the *Preliminary Determination*.

Lastly, pursuant to 19 CFR 351.224(g)(2), Commerce’s ministerial error in the calculation of Borcelik’s FUPDOL is significant because its correction results in a difference between a weighted-average dumping margin of zero and a weighted-average dumping margin greater than *de minimis* (*i.e.*, a change from an estimated weighted-average dumping margin of 0.00 percent to 2.04 percent). Therefore, we are correcting this ministerial error and amending the *Preliminary Determination* accordingly. For a detailed discussion of the aforementioned ministerial error allegation, as well as Commerce’s analysis of the petitioners’ comments, *see* the Ministerial Error Memorandum.<sup>6</sup>

#### **All-Others Rate**

Section 735(c)(5)(A) of the Tariff Act of 1930, as amended (the Act), provides that Commerce shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

As a result of this amended preliminary determination, in this investigation Commerce calculated estimated weighted-average dumping margins for both Borcelik and Yıldız Demir Çelik Sanayi A.Ş. and Yıldız Entegre Ağaç Sanayi ve Ticaret A.Ş. (collectively, YDÇ) that are not zero, *de minimis*, or based entirely on facts otherwise available. Accordingly, Commerce recalculated the all-others rate using a simple average of the estimated weighted-average dumping margins calculated for Borcelik and YDÇ.<sup>7</sup>

<sup>6</sup> See Memorandum, “Less-Than-Fair-Value Investigation of Certain Corrosion-Resistant Steel Products from the Republic of Türkiye—Analysis of Ministerial Error Allegation,” dated concurrently with, and hereby adopted by, this notice (Ministerial Error Memorandum).

<sup>7</sup> With two respondents under examination, Commerce normally calculates: (A) a weighted-average of the estimated weighted-average dumping margins calculated for the examined respondents;
