The form describes the person filing, the type of product to be made, and restrictions to the label and/or manufacturing process. The form will be used by TTB to ensure that a product is made and labeled properly and to audit distilled spirits, wine, and malt beverage operations. Records are kept indefinitely for this information collection. TTB uses this form in its Formulas ON Line (FONL) system. TTB only predicts a slight reduction in the burden, as a result of a reduction in the time it takes to complete and submit this form using FONL; however, as the popularity of the system increases, TTB expects an additional decrease in the burden hours.
