

number of Plan participants contained on a Service Provider's record-keeping system. For subsequent years, Ibbotson will charge to the Service Provider a flat per Plan participant fee for each occurrence of at least 10% growth in Plan participants on its record-keeping system (the Revised Technology Fee). In the second year of operation with a Service Provider, Ibbotson will charge a Service Provider a technology maintenance fee equaling up to 20% of the first year's technology licensing fee plus up to 20% of the Revised Technology Fee.

When a Plan sponsor contracts with Ibbotson to customize the Service to its particular Plan, Ibbotson will charge an Internet customization fee to the Plan or the Plan sponsor. This fee is based on the time spent by Ibbotson personnel in its customization of the Service to a particular Plan. In addition, Ibbotson will charge a flat annual per Plan participant advice fee which may be paid by the Plan, Plan sponsor, the Plan participants or the Service Provider.

Finally, Ibbotson will also offer a Plan investment analysis report to Plan sponsors. This report is separate from the investment analysis advice provided to Plan participants and is optional. Ibbotson will analyze the Plan and its investment options. For those Plan sponsors who elect to receive a Plan investment analysis by Ibbotson, Ibbotson will also charge a Plan investment analysis fee based on a flat dollar amount per year. This fee may be paid by the Plan sponsor or the Service Provider.

12. In summary, it is represented that the proposed transaction will satisfy the statutory criteria for an exemption under section 408(a) of the Act because:

(a) The participation in the Service will be expressly authorized in writing by an independent fiduciary.

(b) Ibbotson shall provide the independent fiduciary of each Plan with written disclosure describing the Service and all fees and expenses associated with the Service, a written contract for the provision of the Service, a copy of the proposed and final exemption, and summary of annual Plan activity and expense reports.

(c) Ibbotson will furnish the Plan participants with the following: notice that the Service is provided by Ibbotson, an entity that is independent from the Service Provider and the Plan sponsor; and full disclosure about the Service and Ibbotson; and a risk tolerance questionnaire.

(d) Any investment advice given to Plan participants will be based on the Plan participants' responses to the questionnaire and any investment

advice provided only will be implemented at the express direction of the Plan participant.

(e) The total fees paid to Ibbotson and a Service Provider by each Plan participant participating in the Service does not exceed reasonable compensation within the meaning of section 408(b)(2) of the Act.

(f) No portion of any fee or other consideration paid to Ibbotson or in connection with the Service will be shared or received by a Service Provider.

(g) Neither the fees charged nor the compensation received by Ibbotson will be affected by the investment selections of Plan participants.

(h) Participation in the Service will not cause the Plan to pay any additional fees or commissions with respect to acquisitions or dispositions of investments offered under the Plan.

(i) No Service Provider shall own any interest in Ibbotson.

(j) Neither Ibbotson nor any affiliate shall own an interest in a Service Provider.

(k) The annual revenues derived by Ibbotson from any one Service Provider shall not be more than 5% of its annual revenues.

(l) Ibbotson will maintain fiduciary liability insurance in the amount of at least \$5 million.

#### *Notice to Interested Persons*

The Applicant represents that because potentially interested Plan participants and beneficiaries cannot be identified at this time, the only practical means of notifying such Plan participants and beneficiaries of this proposed exemption is by publication in the **Federal Register**. #### **General Information**

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which, among other things, require a fiduciary to discharge his

duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules. Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, DC, this 10th day of January, 2001.
