

Estimated Overall Grand Total Annual Reporting and Recordkeeping Burden: 112,543,753.58.

The currently approved burden for this information collection is 643,938,886 total annual responses and 77,690,005 total annual burden hours. Thus, when compared to the burden in the currently approved information collection, the adjustments in this renewal represent an increase of

293,854,398.93, rounded to 293,854,399, total annual responses and 34,853,748.58, rounded to 34,853,749, total annual burden hours. All burden changes associated with the renewal of this information collection are due to adjustments.

FNS is currently in the process of conducting less than ten consultations with State agencies and FNS staff regarding the accuracy of the burden

estimates in this information collection, including the validity of the methodology and assumptions that were used to estimate the burden. The inputs from those consultations will be considered, along with the public comments received in response to this notice, as FNS finalizes the burden estimate to be included in the request for OMB for approval.

DEPARTMENT OF COMMERCE

Economic Development Administration

Notice of Petitions by Firms for Determination of Eligibility To Apply for Trade Adjustment Assistance

AGENCY: Economic Development Administration, U.S. Department of Commerce.

ACTION: Notice and opportunity for public comment.

SUMMARY: The Economic Development Administration (EDA) has received petitions for certification of eligibility to apply for Trade Adjustment Assistance from the firms listed below. Accordingly, EDA has initiated investigations to determine whether increased imports into the United States of articles like or directly competitive with those produced by each of the firms contributed importantly to the total or partial separation of the firms’ workers, or threat thereof, and to a decrease in sales or production of each petitioning firm.
