

and responsibilities established in the Clean Air Act. This finding also is not subject to Executive Order 13045 "Protection of Children from Environmental Health Risks and Safety Risks" (62 FR 19885, April 23, 1997), because it is not economically significant.

The requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) do not apply because this action does not involve technical standards. This finding does not impose an information collection burden under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. A major rule cannot take effect until 60 days after it is published in the **Federal Register**. This action is not a "major rule" as defined by 5 U.S.C. 804(2).

Under section 307(b)(1) of the Clean Air Act, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by December 23, 2002. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this rule for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. This action may not be challenged later in proceedings to enforce its requirements. *See* CAA section 307(b)(2).

Radio Broadcasting Services; Barnwell, SC, and Douglas, East Dublin, Pembroke, Pulaski, Statesboro, Swainsboro, Twin City, and Willacooche, GA

AGENCY: Federal Communications Commission.

ACTION: Final rule; grant of petition for reconsideration.

SUMMARY: This document grants a Petition for Reconsideration filed by Multi-Service Corporation Small directed to the *Report and Order* in this proceeding which substituted Channel 257C1 for Channel 256C3 at Barnwell, South Carolina, reallocated Channel 257C1 to Pembroke, Georgia, and modified the license of Station WBAW to specify operation on Channel 257C1 at Pembroke. The *Report and Order* also allotted Channel 256C3 to Barnwell as a replacement service. See 66 FR 55596, November 2, 2001. Specifically, this document modified the Report and Order to the extent of withholding program test authority for the Channel 257C1 allotment in Pembroke until the ultimate permittee of the Channel 256C3 allotment at Barnwell commences operation. With this action, the proceeding is terminated.

DEPARTMENT OF TRANSPORTATION**National Highway Traffic Safety Administration****49 CFR Part 571**

[Docket No. NHTSA-2002-12065]

RIN 2127-AI88

Federal Motor Vehicle Safety Standards; Child Restraint Systems

AGENCY: National Highway Traffic Safety Administration (NHTSA), DOT.

ACTION: Interim final rule; request for comments.

SUMMARY: This document amends our child restraint standard to facilitate the safe transportation of preschool and special needs children through the manufacture and use of vests that hold the children in place during a crash. Vests and other types of child restraints are currently prohibited by the standard from having any means designed for attaching the system to a vehicle seat back. Effective immediately, all vests that are manufactured for use on school bus seats are excluded from the prohibition. Effective February 1, 2003, the exclusion is limited to the vests that bear a warning label informing users that the vest must be used only on school bus seats, and that the entire seat directly behind the child wearing the seat-mounted vest must be either unoccupied or occupied by restrained

passengers. The agency also requests comments on this amendment.

This document responds to a petition for rulemaking from a vest manufacturer. NHTSA has determined that the requested amendment would facilitate the safe transportation of preschool and special needs children.

NHTSA is making the amendment final by this document on an interim basis because of the pressing need to permit, early in the school year, the manufacture and sale of restraints that can be used to transport these children. The exclusion terminates on December 1, 2003. After reviewing the comments received on this document, NHTSA will decide whether to exclude these vests from the prohibition on a permanent basis.

DATES: This rule is effective October 22, 2002 and expires on December 1, 2003. Comments must be received by December 23, 2002.
