SUPPLEMENTARY INFORMATION: Effective March 3, 2023, the Commission established a general schedule for the conduct of the final phase of its antidumping duty investigation and countervailing duty investigation on certain freight rail couplers and parts thereof (“FRCs”) from China and Mexico (88 FR 16031, March 15, 2023), following a preliminary determination by the U.S. Department of Commerce (“Commerce”) that imports of FRCs from China were being subsidized by the government of China (88 FR 13425, March 3, 2023), and sold in the United States at less than fair value (“LTFV”) (88 FR 15372, March 13, 2023). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on March 15, 2023 (88 FR 16031). The Commission conducted its hearing through in-person on May 18, 2023. All persons who requested the opportunity were permitted to participate.

Commerce issued final affirmative countervailing and antidumping duty determinations with respect to imports of FRCs from China (88 FR 32184, May 19 2023; 88 FR 34485, May 30, 2023). The Commission subsequently issued its final determination that an industry in the United States was materially injured by reason of imports of FRCs from China, provided for in subheadings 8607.30.10 and 7326.90.86 of the Harmonized Tariff Schedule of the United States, that have been found by Commerce to be sold in the United States at LTFV and subsidized by the government of China (88 FR 43398, June 7, 2023).

Commerce issued a final affirmative antidumping duty determination with respect to imports of FRCs from Mexico (88 FR 65153, September 21, 2023). Accordingly, the Commission currently is issuing a supplemental schedule for its antidumping duty investigation on imports of FRCs from Mexico.

This supplemental schedule is as follows: the deadline for filing supplemental party comments on Commerce's final antidumping duty determination is 5:15 p.m. on October 4, 2023. Supplemental party comments may address only Commerce's final antidumping duty determination regarding imports of FRCs from Mexico. These supplemental final comments may not contain new factual information and may not exceed five (5) pages in length. The supplemental staff report in the final phase of the current investigation will be placed in the nonpublic record on October 16, 2023, and a public version will be issued thereafter.

For further information concerning this proceeding see the Commission's notice cited above and the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>.) No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-921 (Fourth Review)]

Folding Gift Boxes From China; Scheduling of an Expedited Five-Year Review

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to the Tariff Act of 1930 ("the Act") to determine whether revocation of the antidumping duty order on folding gift boxes from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: September 5, 2023.

FOR FURTHER INFORMATION CONTACT: (Alexis Yim 202-708-1446), Office of Investigations, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On September 5, 2023, the Commission determined that the domestic interested party group response to its notice of institution (88 FR 35917, June 1, 2023) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of this review and rules of

general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the review has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for this review on October 4, 2023. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before 5:15 p.m. on October 12, 2023, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by October 12, 2023. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

³ The Commission has found the response submitted on behalf of Hallmark Cards, Inc. to be individually adequate. Comments from other interested parties will not be accepted (*see* 19 CFR 207.62(d)(2)).

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

² Chairman Johanson voted to conduct a full review.
