SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57011; File No. SR-Amex-2007-25]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of a Proposed Rule Change, as Modified by Amendment No. 1, to Allow Registered Options Traders to Quote Remotely From Off the Amex's Trading Floor on a Limited Basis

December 20, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 27, 2007, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared substantially by the Amex. The Amex filed Amendment No. 1 to the proposal on December 13, 2007.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as modified by

Amendment No. 1, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to amend its rules to allow Registered Options Traders ("ROT's") to quote remotely from off the Amex's trading floor on a limited basis. The text of the proposed rule change is available on the Amex's Web site at <http://www.amex.com>, at the Amex's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Amex proposes to amend Amex Rule 958—ANTE, "Options Transactions of Registered Options Traders and Supplemental Registered Options Traders and Remote Registered Options Traders," to allow a ROT to submit electronic quotations and orders from a location off the Amex's trading floor on a limited basis. The proposal would accommodate ROTs on days when they are not able to be present on the Amex's physical trading floor. For example, rather than calling in sick to work and thereby relinquishing the ability to quote and submit orders altogether, a ROT would be able to stream quotes and submit orders from away from the Amex's physical trading floor.⁴

The proposal would allow ROTs to quote and place orders remotely (*i.e.*, from off the trading floor) on a temporary basis for a maximum of 20 days throughout the calendar year.⁵ For purposes of a ROT's "in-person" requirement, as set forth in Amex Rules

958—ANTE (g) and 958—ANTE (h), any transactions that occur through this limited remote quoting program will be deemed to be "on the floor." A ROT must notify the Amex's Division of Regulation and Compliance immediately following the day or days when he or she chooses to submit quotes and orders from off the Amex's trading floor.

The Amex will employ the same surveillance procedures that are currently used for ROTs quoting from on the floor. Furthermore, the Amex notes that there is an independent way to monitor when a ROT is off the floor because all members are required to scan in. The Amex represents that it will be able to monitor for compliance with the Amex's trading rules, as well as the federal securities laws and the rules and regulations promulgated thereunder.

2. Statutory Basis

The Amex believes that the proposed rule change is consistent with Section 6(b) of the Act,⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,⁷ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Amex does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or

² 17 CFR 240.19b-4.

³ Amendment No. 1 supersedes and replaces the original filing in its entirety.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-57016; File No. SR-Amex-2006-31]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing of Proposed Rule Change and Amendment Nos. 1 and 2 Thereto Relating to Annual Shareholder Meeting Requirements

December 20, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 7, 2006, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. On December 13, 2007, the Exchange filed Amendment No. 1 to the proposed rule change. On December 20, 2007, the Exchange filed Amendment No. 2 to the proposed rule change.³ The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend section 704 (Annual Meetings) of the Amex *Company Guide*. The text of the proposed rule change is available at Amex, the Commission's Public Reference Room, and <http://www.amex.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for,

the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Amex seeks to amend its annual shareholder meeting requirement applicable to its listed issuers. Currently, section 704 of the Amex *Company Guide* requires all listed companies to hold an annual meeting of their shareholders in accordance with such listed company's charter, by-laws, and applicable state or other laws. An annual meeting allows the equity owners of a company the opportunity to elect directors and meet with management to discuss company affairs. The Exchange believes, however, that this requirement is not necessary for certain issuers of specific types of securities because the holders of such securities do not directly participate as equity holders and vote in the election of directors. In addition, Amex seeks to clarify when an issuer should hold its annual meeting and remove the notice requirement for delayed annual meetings.

First, Amex proposes to amend section 704 of its *Company Guide* to explicitly state that an issuer generally must hold an annual meeting within one year of the end of its fiscal year if it is subject to the annual shareholder meeting requirement. In addition, a new listing that was not previously subject to the requirement to hold an annual meeting would be required to hold its first annual shareholder meeting within one year of its fiscal year end following the date of listing. Amex proposes two exceptions to these general requirements: (1) An issuer is not required to hold an annual meeting if its fiscal year is less than twelve months long as a result of a change in fiscal year end; and (2) an issuer does not have to hold an annual meeting in the same year in which such issuer completes its initial public offering. Amex believes that codifying this time frame and the exceptions will provide additional transparency to the annual shareholder meeting requirement.

Amex also proposes to list a variety of securities, the issuers of which should not be subject to the foregoing general
