USDA is committed to complying with the E-Government Act, to promote the use of the internet and other information technologies to provide increased opportunities for citizen access to Government information and services, and for other purposes.

The Committee's meetings were widely publicized throughout the Washington apricot industry, and all interested persons are invited to attend the meetings and participate in Committee deliberations on all issues. Meetings are held virtually or in a hybrid style with participants having a choice whether to attend in person or virtually.

A proposed rule concerning this action was published in the **Federal Register** on November 23, 2021 (86 FR 66462). Copies of the proposal were provided by the Committee to members and handlers. Finally, the proposed rule was made available through the internet by AMS and the Office of the Federal Register. A 60-day comment period ending January 24, 2022, was provided to allow interested persons to respond to the proposal. During the comment period, one comment was received in response to the proposal. The comment received did not address the merits of this rule. Accordingly, no changes have been made to the rule as proposed.

A small business guide on complying with fruit, vegetable, and specialty crop marketing agreements and orders may be viewed at: <https://www.ams.usda.gov/rules-regulations/moa/small-businesses>. Any questions about the compliance guide should be sent to Richard Lower at the previously mentioned address in the **FOR FURTHER INFORMATION CONTACT** section.

After consideration of all relevant material presented, including the information and recommendation submitted by the Committee and other available information, AMS finds that this rule will tend to effectuate the declared policy of the Act.

I. Explanation of Amendments

ONRR regulations at 30 CFR parts 1210, 1218, and 1243 authorize various forms to be filed with ONRR related to Federal and Indian royalty reporting and payment and appeal bonding by mail, courier, or overnight delivery. As further described in the amendatory instructions, this final rule amends these parts to update room number, mailstop, or other information for these delivery methods.
