SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 provides that, if the Commission finds a violation, it shall exclude the articles concerned from the United States:

19 U.S.C. 1337(d)(1).

The Commission is soliciting submissions on public interest issues raised by the recommended relief should the Commission find a violation, specifically, a limited exclusion order directed to certain tobacco heating articles and components thereof imported, sold for importation, and/or sold after importation by respondents Altria Client Services LLC and Philip Morris USA, Inc., both of Richmond, Virginia; and Philip Morris Products S.A. of Neuchatel, Switzerland. In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the recommended remedial orders are used in the United States;
- (ii) identify any public health, safety, or welfare concerns in the United States relating to the recommended orders;

- (iv) indicate whether complainant, complainant's licensees, and/or third-party suppliers have the capacity to replace the volume of articles potentially subject to the recommended orders within a commercially reasonable time; and
- (v) explain how the recommended orders would impact consumers in the United States.
