

need for the proposed action in terms of the screening criteria applied, including having the least number of impacts to the environment of the action alternatives and the least impacts to base operations and training.

The proposed action will include the construction, operation, and maintenance of utility infrastructure upgrades, expansions, and improvements within MCBCP. These improvements will include a new tertiary wastewater treatment plant and associated facilities serving the northern portion of MCBCP; upgrades to the Base electrical distribution systems and associated facilities, including replacement of existing 4.16kV and 12kV electrical distribution systems; upgrades to the Basewide communication systems; upgrades to the Basewide natural gas systems; and new water and wastewater facilities and road improvements to Range 130. All practical means to avoid or minimize environmental harm from the selected alternative have been adopted.

SUPPLEMENTARY INFORMATION: The complete text of the Record of Decision is available for public viewing on the project Web site at <http://www.cpp.usmc.mil/base/environmental/index.asp> along with copies of the final Environmental Impact Statement (EIS). For further information, contact the Basewide Utilities Infrastructure EIS Project Manager, 1220 Pacific Highway, San Diego, California 92132-5190. Telephone: 619-532-3844.
