

PART 416—SUPPLEMENTAL SECURITY INCOME FOR THE AGED, BLIND, AND DISABLED

Subpart N—[Amended]

■ 7. The authority citation for subpart N of part 416 continues to read as follows

Authority: Secs. 702(a)(5), 1631, and 1633 of the Social Security Act (42 U.S.C. 902(a)(5), 1383, and 1383b); sec. 202, Pub. L. 108–203, 118 Stat. 509 (42 U.S.C. 902 note).

■ 8. In § 416.1436, revise the reference in paragraph (h) from the “first sentence of paragraph (c)” to the “first sentence of paragraph (c)(1)” and revise paragraph (c) to read as follows:

§ 416.1436 Time and place for a hearing before an administrative law judge.

* * * * *

(c) *Determination how appearances will be made.* In setting the time and place of the hearing, we will consider the following:

(1) We will consult with the administrative law judge to determine the status of case preparation and to determine whether your appearance, or the appearance of any other party to the hearing, will be made in person or by video teleconferencing. The administrative law judge will determine that your appearance, or the appearance of any other party to the hearing, be conducted by video teleconferencing if video teleconferencing equipment is available to conduct the appearance, use of video teleconferencing to conduct the appearance would be more efficient than conducting the appearance in person, and the administrative law judge determines there is no circumstance in the particular case that prevents the use of video teleconferencing to conduct the appearance. You or any other party to the hearing may request to appear at the hearing by telephone. The administrative law judge will allow you or any other party to the hearing to appear by telephone if the administrative law judge determines that extraordinary circumstances prevent you or the other party who makes the request from appearing at your hearing in person or by video teleconferencing.

(2) The administrative law judge will determine whether any person, other than you or any other party to the hearing, including a medical expert or a vocational expert, will appear at the hearing in person, by video teleconferencing, or by telephone. If you or any other party to the hearing objects to any other person appearing by video teleconferencing or by telephone, the administrative law judge will decide,

either in writing or at the hearing, whether to have that person appear in person, by video teleconferencing, or by telephone. The administrative law judge will direct a person, other than you or any other party to the hearing if we are notified as provided in paragraph (e) of this section that you or any other party to the hearing objects to appearing by video teleconferencing, to appear by video teleconferencing or telephone when the administrative law judge determines:

- (i) Video teleconferencing or telephone equipment is available,
- (ii) Use of video teleconferencing or telephone equipment would be more efficient than conducting an examination of a witness in person, and
- (iii) The administrative law judge determines there is no other reason why video teleconferencing or telephone should not be used.

■ 9. In § 416.1438, revise paragraph (b) to read as follows:

§ 416.1438 Notice of a hearing before an administrative law judge.

* * * * *

(b) *Notice information.* The notice of hearing will contain a statement of the specific issues to be decided and tell you that you may designate a person to represent you during the proceedings. The notice will also contain an explanation of the procedures for requesting a change in the time or place of your hearing, a reminder that if you fail to appear at your scheduled hearing without good cause the administrative law judge may dismiss your hearing request, and other information about the scheduling and conduct of your hearing. You will also be told if your appearance or that of any other person is scheduled to be made in person, by video teleconferencing, or, for a person other than you or any other party to the hearing, by telephone. If we have scheduled you to appear at the hearing by video teleconferencing, the notice of hearing will tell you the scheduled place for the hearing is a video teleconferencing site and explain what it means to appear at your hearing by video teleconferencing. The notice will also tell you how you may let us know if you do not want to appear by video teleconferencing and want, instead, to have your hearing at a time and place where you may appear in person before the administrative law judge. The notice will also tell you that you may ask us if you want to appear by telephone, and that the administrative law judge will grant your request if he or she determines that extraordinary circumstances prevent you from

appearing in person or by video teleconferencing.

■ 10. In § 416.1450, revise paragraphs (a) and (e) to read as follows:

§ 416.1450 Presenting evidence at a hearing before an administrative law judge

(a) *The right to appear and present evidence.* Any party to a hearing has a right to appear before the administrative law judge, either in person, or, when the conditions in § 416.1436(c)(1) exist, by video teleconferencing or telephone, to present evidence and to state his or her position. A party may also make his or her appearance by means of a designated representative, who may make the appearance in person, or, when the conditions in § 416.1436(c)(1) exist, by video teleconferencing or telephone.

* * * * *

(e) *Witnesses at a hearing.* Witnesses may appear at a hearing in person or, when the conditions in § 416.1436(c)(2) exist, by video teleconferencing or telephone. They will testify under oath or affirmation unless the administrative law judge finds an important reason to excuse them from taking an oath or affirmation. The administrative law judge may ask the witness any questions material to the issues and will allow the parties or their designated representatives to do so.
