The United States alleges civil claims against BP Products for violations at the Texas City Refinery of Clean Air Act ("CAA") Section 112(r) and the Chemical Accident Prevention Provisions promulgated at 40 CFR part 68. The United States' CAA claims, which are stated in a Complaint also filed on September 30, 2010 in the above-referenced matter, arise from three events—two fires and a leak of regulated substances—at the Texas City Refinery. The Complaint also alleges violations of Part 68 reporting requirements.

Under the proposed Consent Decree, BP Products will pay a civil penalty to the United States in the amount of \$15 million. The Consent Decree also requires BP Products to regularly report to EPA on indicators of process safety at the Texas City Refinery, including: (1) The status of equipment inspections, (2) whether operations employees have received process safety training, and (3) whether additional accidental releases of regulated substances have occurred at the Texas City Refinery.

The Department of Justice will receive comments relating to the Consent Decree for a period of thirty (30) days from the date of this publication. In this action the United States sought, under the Pennsylvania Uniform Contribution Among Tortfeasors Act, 42 Pa. Cons. Stat. Ann. §§ 8321-27, and the Pennsylvania Storage Tank and Spill Prevention Act, 35 Pa. Stat. Ann. §§ 6021.101-.2104, the recovery of environmental cleanup costs incurred by the United States at the former Defense Supply Center Philadelphia ("DSCP") property located at 2800 South 20th Street in Philadelphia, Pennsylvania. Ann. §§ 691.1-.1001, directing the defendants to abate—ongoing migration of petroleum hydrocarbons from a

refinery, which is owned or operated by Sunoco, Inc. or its affiliates, to the former DSCP property. The proposed settlement agreement would require defendants to pay, collectively, \$10 million to the United States.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the settlement agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O.
