

radiological environmental impacts are expected as a result of the proposed action. Accordingly, the NRC concludes that there are no significant environmental impacts associated with the proposed action.

The details of the staff's safety evaluation will be provided as part of the letter to the licensee approving issuance of the license amendment.

Environmental Impacts of the Alternatives to the Proposed Action

As an alternative to the proposed action, the NRC staff considered denial of the proposed action (i.e., the "no-action" alternative). Denial of the application would result in no change in current environmental impacts. The environmental impacts of the proposed action and the alternative action are similar.

Alternative Use of Resources

The action does not involve the use of any different resources than those previously considered in the Final Environmental Statement for the Enrico Fermi Atomic Power Plant, Unit 2, NUREG-0769, dated August 1981, as supplemented with Addendum No. 1 in March 1982.

Agencies and Persons Consulted

In accordance with its stated policy, on August 19, 2011, the NRC staff consulted with the State official, Mr. Ken Yale, of the Michigan Department of Natural Resources and Environment regarding the environmental impact of the proposed action. The State official had no comments.

Finding of No Significant Impact

On the basis of the environmental assessment, the NRC concludes that the proposed action will not have a significant effect on the quality of the human environment. Accordingly, the NRC has determined not to prepare an environmental impact statement for the proposed action.

For further details with respect to the proposed action, see the licensee's letter dated September 24, 2010, as supplemented by letter dated March 4, 2011. Documents may be examined, and/or copied for a fee, at the NRC's Public Document Room (PDR), located at One White Flint North, Public File Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible electronically from the ADAMS Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. Persons who do not have access to ADAMS or who encounter problems in

accessing the documents located in ADAMS should contact the NRC PDR Reference staff by telephone at 1-800-397-4209 or 301-415-4737, or send an e-mail to pdr.resource@nrc.gov.

PEACE CORPS

Submission for OMB Review; Request for Comments

AGENCY: Peace Corps.

ACTION: 60-Day notice and request for comments.

SUMMARY: The Peace Corps will be submitting the following information collection requests to the Office of Management and Budget (OMB) for revision of a currently approved information collection. In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Peace Corps invites the general public to comment on the revision of a currently approved information collection OMB Control No. 0420-0510: Health History

(PC-1789) and Report of Medical Examination (PC-1790 and PC-1790 S).

DATES: Comments must be submitted on or before November 14, 2011, 60 days from publication in the **Federal Register**.

ADDRESSES: Comments should be addressed to Denora Miller, Freedom of Information Act Officer. Denora Miller can be contacted by telephone at 202-692-1236 or e-mail at pcf@peacecorps.gov. E-mail comments must be made in text and not in attachments.

FOR FURTHER INFORMATION CONTACT:

Denora Miller at Peace Corps address above.

SUPPLEMENTARY INFORMATION:

Title: Health History (PC-1789) and Report of Medical Examination (PC-1790 and PC-1790 S).

OMB Control Number: 0420-0510.

Type of Information Collection: Revision of a currently approved information collection.

Respondents' obligation to reply: Voluntary.

Burden to the public: The revised Health History (PC-1789) is expected to average 30 minutes per Candidate: with an expected 10,000 Candidates completing the form. This is a total average time burden cost of \$95,050. We predict the Report of Medical Examinations (PC-1790 S and PC-1790) would each take an average of 45 minutes with 3800 Invitees required to undergo these exams (Candidates who have accepted an invitation to serve). Peace Corps is unable to accurately estimate how much of this expense will be borne by Candidates but we have made an estimate of about \$228,800 for medical exams.

General description of collection: The Peace Corps Act requires that Volunteers receive health examinations prior to their service. The information collected is required for consideration for Peace Corps Volunteer service. The Health Status Review is used to review the medical history of individual applicants. The Candidate completes the Health History Form (PC-1789) and submits it to the Peace Corps for a preliminary review of their health history and self identified needs for medical support. If a Candidate is invited to serve, the Candidate is sent a Report of Medical Examination (PC-1790 S) and a Report of Dental Evaluation (PC-1790 Dental S) form to be completed by the Candidate and the Candidate's examining physician and dentist. The Health History form and the Report of Medical and Dental Exam forms are reviewed in the Peace Corps

Office of Medical Services to ensure that the Candidate/Volunteer has the physical and mental capacity required of a Volunteer. At the Close of Service, a Volunteer is given a complete physical exam using Report of Medical Examination (PC-1790).

Request for Comment: Peace Corps invites comments on whether the proposed collections of information are necessary for proper performance of the functions of the Peace Corps, including whether the information will have practical use; the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the information to be collected; and, ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated collection techniques, when appropriate, and other forms of information technology.

This notice is issued in Washington, DC on September 7, 2011.

Earl W. Yates,

Associate Director, Management.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, pursuant to 39 U.S.C. 404(d), on September 1, 2011, the Commission received a petition for review of the Postal Service's determination to close the Gepp post office in Gepp, Arkansas. The petition was filed online by Kathy Adams on behalf of the Concerned Patrons of Gepp Post Office (Petitioner). The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and establishes Docket No. A2011-60 to consider Petitioner's appeal. If Petitioner would like to further explain her position with supplemental information or facts, Petitioner may either file a Participant Statement on PRC Form 61 or file a brief with the Commission no later than October 6, 2011.

Categories of issues apparently raised. Petitioner contends that: (1) The Postal Service failed to consider whether or not it will continue to provide a maximum degree of effective and regular postal services to the community (see 39 U.S.C. 404(d)(2)(A)(iii)); and (2) the Postal Service failed to adequately consider the economic savings resulting from the closure (see 39 U.S.C. 404(d)(2)(A)(iv)).

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are more legal issues than those set forth above, or that the Postal Service's determination disposes of one or more of those issues. The deadline for the Postal Service to file the applicable administrative record with the Commission is September 16, 2011. See 39 CFR 3001.113. In addition, the due date for any responsive pleading by the Postal Service to this Notice is September 16, 2011.

Instructions for obtaining an account to file documents online may be found on the Commission's Web site or by contacting the Commission's docket section at prc-dockets@prc.gov or via telephone at 202-789-6846.

The Commission reserves the right to redact personal information which may infringe on an individual's privacy rights from documents filed in this proceeding.

Intervention. Persons, other than Petitioner and respondent, wishing to be heard in this matter are directed to file a notice of intervention. See 39 CFR 3001.111(b). Notices of intervention in this case are to be filed on or before October 3, 2011. A notice of intervention shall be filed using the Internet (Filing Online) at the Commission's Web site unless a waiver is obtained for hardcopy filing. See 39 CFR 3001.9(a) and 3001.10(a).

Further procedures. By statute, the Commission is required to issue its decision within 120 days from the date it receives the appeal. See 39 U.S.C. 404(d)(5).
