

the summer meal sites from State agencies using FNS-905. This form collects the site name, location, and operating details about the summer meal sites, such as dates and times of site operation. This data is then used to populate the USDA National Hunger Clearinghouse. The National Hunger Clearinghouse collects, develops, and distributes information and resources to help build the capacity of emergency food providers to address the immediate needs of struggling families and individuals while promoting self-reliance and access to healthy food. FNS also uses this information to increase participation in FNS nutrition programs through the development, coordination, and evaluation of strategic initiatives, partnerships, and outreach activities.

DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Survey of State Government Research and Development

AGENCY: Census Bureau, Commerce.

ACTION: Notice of information collection, request for comment.

SUMMARY: The Department of Commerce, in accordance with the Paperwork Reduction Act (PRA) of 1995, invites the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. The purpose of this notice is to allow for 60 days of public comment on the proposed extension of the Survey of State Government Research and Development, prior to the submission of the information collection request (ICR) to OMB for approval.

DATES: To ensure consideration, comments regarding this proposed information collection must be received on or before December 30, 2022.

ADDRESSES: Interested persons are invited to submit written comments by email to Thomas.J.Smith@census.gov. Please reference Survey of State Government Research and Development in the subject line of your comments. You may also submit comments, identified by Docket Number USBC-2022-0021, to the Federal e-Rulemaking Portal: <http://www.regulations.gov>. All comments received are part of the public record. No comments will be posted to <http://www.regulations.gov> for public viewing until after the comment period has closed. Comments will generally be posted without change. All Personally Identifiable Information (for example, name and address) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information. You may submit attachments to electronic comments in Microsoft Word, Excel, or Adobe PDF file formats.

Requests for additional information or specific questions related to collection activities should be directed to Michael Flaherty, Chief Research, Development & Innovation Surveys Branch, 301-763-7699, Michael.J.Flaherty@census.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Census Bureau conducts the Survey of State Government Research and Development (SGRD) to measure research and development performed and funded by state government agencies in the United States. The Census Bureau conducts the survey on behalf of the National Center for Science and Engineering Statistics (NCSES) within the National Science Foundation.

The National Science Foundation Act of 1950, as amended, includes a statutory charge to "provide a central clearinghouse for the collection, interpretation, and analysis of data on scientific and engineering resources and to provide a source of information for policy formulation by other agencies in the Federal Government." This mandate was further codified in the America COMPETES Reauthorization Act of 2010 section 505, which requires NCSES to "collect, acquire, analyze, report, and disseminate . . . statistical data on (A) research and development trends . . ." Under the aegis of these legislative mandates, NCSES has sponsored
