Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Distribution of Continued Dumping and Subsidy Offset to Affected Domestic Producers.

OMB Number: 1651–0086.

Form Number: 7401.

Current Actions: Extension with a decrease in burden hours. No change to the information collected or method of collection.

Type of Review: Extension (with change).

Affected Public: Businesses.

Abstract: This collection of information is used by CBP to make distributions of funds pursuant to the Continued Dumping and Subsidy Offset Act of 2000 (CDSOA). 19 U.S.C. 1675c (repealed by the Deficit Reduction Act of 2005, Pub. L. 109–171, title VII, sec. 7601(a) (Feb. 8, 2006)). This Act prescribes the administrative procedures under which antidumping and countervailing duties assessed on imported products are distributed to affected domestic producers (ADPs) that petitioned for or supported the issuance of the order under which the duties were assessed. The amount of any distribution afforded to these domestic producers is based on certain qualifying expenditures that they incur after the issuance of the order or finding up to the effective date of the CDSOA's repeal, October 1, 2007. This distribution is known as the continued dumping and

subsidy offset. The claims process for the CDSOA program is provided for in 19 CFR 159.61 and 159.63.

In order to make a claim under the CDSOA, CBP Form 7401 may be used. This form is accessible at: <https://www.pay.gov/paygov/forms/formInstance.html?agencyFormId=8776895>.

Federal Emergency Management Agency

[Docket ID: FEMA–2025–0012; OMB No. 1660–0062]

Agency Information Collection Activities: Proposed Collection; Comment Request; State/Local/Tribal Hazard Mitigation Plans

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 60-Day notice of revision and Request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA), as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on a revision of a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, efforts and resources used by respondents to respond) and cost, and actual data collection instruments FEMA will use regarding the State, local, and Tribal hazard mitigation plan development or update process.

DATES: Comments must be submitted on or before June 30, 2025.

ADDRESSES: To avoid duplicate submissions to the docket, please submit comments at www.regulations.gov under Docket ID FEMA–2025–0012. Follow the instructions for submitting comments.

All submissions received must include the agency name and Docket ID. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy and Security Notice that is available via a link on the homepage of www.regulations.gov.

SUPPLEMENTARY INFORMATION: Section 322 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 U.S.C. 5165, as amended by the Disaster Mitigation Act of 2000 (DMA 2000) (Pub. L. 106–390), provided the initial framework for linking pre-and post-disaster mitigation planning and initiatives with public and private interests to ensure an integrated, comprehensive approach to disaster loss reduction. Since DMA 2000 amended the Stafford Act, additional laws have passed that help to shape hazard mitigation policy. These revisions are included in the Sandy Recovery Improvement Act of 2013, the National Flood Insurance Act of 1968, and the Water Infrastructure Improvements for the Nation Act of 2016. Title 44 Code of Federal Regulations (CFR) Part 201 provide the mitigation planning requirements for State, local, territorial, and Tribal governments to identify the natural hazards that impact them, to identify actions and activities to reduce any losses from hazards, and to establish a coordinated process to implement the plan, taking advantage of a wide range of resources. State, local, and tribal mitigation planning policies provide further guidance regarding mitigation plan development or update, review, and approval.
