Take notice that on March 25, 2010, Central Transmission, LLC (Central Transmission) filed a complaint against the PJM Interconnection L.L.C. Central Transmission certifies that copies of the complaint were served on the contacts for Respondent as listed on the Commission's list of Corporate Officials.

The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.
