

the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>4</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically *via* ACCESS. An electronically filed document must be received successfully in its entirety by the Department's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.<sup>5</sup> Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs.

The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

#### Assessment Rates

Upon completion of the administrative review, the Department shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. If EuroChem's weighted-average dumping margin is above *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of antidumping duties calculated for each importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1). If EuroChem's weighted-average dumping margin continues to be zero or *de minimis* in the final results of review, we will instruct CBP not to assess duties on any of its entries in accordance with the *Final Modification for Reviews*, i.e., "{w}here the weighted-average margin of dumping for the exporter is determined to be zero or *de minimis*, no antidumping duties will be assessed."<sup>6</sup>

The Department clarified its "automatic assessment" regulation on May 6, 2003.<sup>7</sup> This clarification will

apply to entries of subject merchandise during the POR produced by EuroChem for which it did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate of 64.93 percent<sup>8</sup> if there is no rate for the intermediate company(ies) involved in the transaction.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

#### Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of solid urea from Russia entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for EuroChem will be the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the manufacturer of the merchandise for the most recently completed segment of this proceeding; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 64.93 percent.<sup>9</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

For these final results, as in the *Preliminary Results*, we determine that: (1) Shanghai General Bearing Co., Ltd. **DATES:** *Effective:* August 1, 2012.

Stephen Banea, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-0656.

**SUPPLEMENTARY INFORMATION:**

**Background**

On June 15, 1987, the Department published in the **Federal Register** the AD order on TRBs from the PRC.<sup>3</sup> On February 11, 1997, the Department revoked the order on TRBs from the PRC with respect to merchandise produced and exported by SGBC, effective as of June 1, 1994.<sup>4</sup>

Effective August 1, 2012, the majority shareholder of SGBC merged with AB SKF (SKF) and, as a result of the merger, SGBC became part of the SKF Group. On February 13, 2013, SGBC/SKF requested that the Department conduct a CCR pursuant to 19 CFR 351.221(c)(3)(ii) to determine whether it is the successor-in-interest to SGBC as it existed prior to its affiliation with SKF, and on June 28, 2013, the Department published in the **Federal Register** a notice initiating a CCR to address this question.<sup>5</sup>

On November 21, 2014, the Department published in the **Federal Register** the notice of preliminary results of this CCR.<sup>6</sup> In the *Preliminary Results*, we provided all interested parties with an opportunity to comment and request a public hearing regarding our preliminary finding that SGBC/SKF is the successor-in-interest to SGBC; at that time, we also extended the final results in this CCR.<sup>7</sup>

On December 12, 2014, SGBC/SKF and Stemco LP (Stemco), a U.S. manufacturer and importer of TRBs from the PRC, submitted case briefs. On

December 19, 2014, SGBC/SKF submitted a rebuttal brief. On January 16, 2015, the Department held a public hearing at the request of Stemco. On January 29, 2015, we extended the final results in this CCR to no later than April 1, 2015.<sup>8</sup>

**Scope of the Order**

Imports covered by the order are shipments of tapered roller bearings and parts thereof, finished and unfinished, from the People's Republic of China; flange, take up cartridge, and hanger units incorporating tapered roller bearings; and tapered roller housings (except pillow blocks) incorporating tapered rollers, with or without spindles, whether or not for automotive use. These products are currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) item numbers 8482.20.00, 8482.91.0050, 8482.99.15, 8482.99.45, 8483.20.40, 8483.20.80, 8483.30.80, 8483.90.20, 8483.90.30, 8483.90.80, 8708.70.6060, 8708.99.2300, 8708.99.4850, 8708.99.6890, 8708.99.8115 and, 8708.99.8180. Although the HTSUS item numbers are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

**Analysis of Comments Received**

All issues raised in the case and rebuttal briefs by parties to this CCR are addressed in the Issues and Decision Memorandum,<sup>9</sup> which is hereby adopted by this notice. A list of the issues which parties have raised, and to which we have responded in the Issues and Decision Memorandum, is attached to this notice as Appendix I.

The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's AD and Countervailing Duty (CVD) Centralized Electronic Service System (ACCESS).<sup>10</sup>

<sup>8</sup> See letter from Irene Darzenta Tzafolias, Acting Director, Office II, AD/CVD Operations, to SGBC/SKF, dated January 29, 2015.

<sup>10</sup> On November 24, 2014, Enforcement and Compliance changed the name of the Enforcement and Compliance's AD and CVD Centralized Electronic Service System (IA ACCESS) to AD and CVD Centralized Electronic Service System (ACCESS). The Web site location was changed from <http://iaaccess.trade.gov> to <http://access.trade.gov>.

ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit (CRU), Room 7046 of the main Department of Commerce building. In addition, parties can obtain a complete version of the Issues and Decision Memorandum on the internet at <http://trade.gov/enforcement/frn/index.html>. The signed Issues and Decision Memorandum and the electronic version of the Issues and Decision Memorandum are identical in content.

**Final Results of Changed Circumstances Review**

In the *Preliminary Results*, we found SGBC/SKF to be the successor-in-interest to SGBC because the information on the record indicated that SGBC/SKF continued to operate as essentially the same entity that was effectively revoked from the order as of June 1, 1994. In reaching this determination, we considered changes in SGBC's operations covering the period from revocation through August 1, 2012, with respect to several factors, including the following: (1) Management; (2) production facilities; (3) supplier relationships; and (4) customer base. After analyzing the comments received, and for the reasons stated in the *Preliminary Results* and discussed further in the Issues and Decision Memorandum, we continue to find that SGBC/SKF is the successor-in-interest to SGBC. As a result of this determination, we find that SGBC/SKF is entitled to SGBC's revoked status. Consequently, the Department will apply this determination retroactively and will instruct U.S. Customs and Border Protection to liquidate, without regard to antidumping duties, all unliquidated entries entered, or withdrawn from warehouse on or after August 1, 2012, the date of SGBC/SKF's accession into the SKF Group, in accordance with past practice.<sup>11</sup>
