Title: Department of Veterans Affairs, Office of Small and Disadvantaged Business Utilization, VA Form 0896A.

OMB Control Number: 2900–0741.

Type of Review: Reinstatement with changes of a currently expired approved collection.

Abstract: This Paperwork Reduction Act (PRA) submission seeks reinstatement with changes of Office of Management and Budget (OMB) approval No. 2900–0741 as follows: Due to the increased number of respondents, the total annual burden hours increased by 400, from 610 to 1,010. However, the average burden time per response has not changed.

The VA Form 0896A, Report of Subcontracts to Small and Veteran-owned Business is utilized to ensure that subcontract information reported by prime contractors and utilized for credit against subcontracting goals is accurate and includes Service Disabled Veteran Owned Small Business, (SDVOSB) and Veteran Owned Small Business, (VOSB) that are verified for eligibility in the Vender Information Pages database maintained by VA OSDDBU. This process involves the use of electronic submissions of information via email. Contractors will submit information on VA Form 0896A. In the event that a contractor does not have the capability to submit the form as an email attachment, it can also be provided as a hardcopy. VA OSDDBU personnel will confirm the information reported on the form by the prime contractors through the VA’s vendor Information Pages and FSRS databases and, when necessary, request that the SDVOSB and VOSB firms subcontracted by the prime contractors review it and verify its accuracy. The OSDDBU will utilize the information reported by the prime contractors, the FSRS, and any subcontractors in order to compile annual reports to reflect the level of accuracy in the reporting being accomplished by the prime contractors.

⁵ See Table 11—Total annual PRA burden, per tranche, filing method, and filer type, expressed as minutes per report at 85 FR 29029, May 14, 2020. <https://www.govinfo.gov/content/pkg/FR-2020-05-14/pdf/2020-10310.pdf>.

⁶ An administrative burden of one hour is assigned to each of the SAR regulation OMB control numbers in order to maintain the requirements in force. The reporting and recordkeeping burden is reflected in FinCEN Report 111—SAR, under OMB control number 1506–0064. The rationale for assigning one burden hour to each of the SAR regulation OMB control numbers is that the annual burden hours would be double counted if FinCEN estimated burden in the industry SAR regulation OMB control numbers and in the FinCEN Report 111—SAR OMB control number.

This will allow the VA to comply with the “review mechanism” requirement of Public Law 109–461.

Affected Public: Business or other for-profit and not-for-profit institutions.

Estimated Annual Burden: 1,010 Burden Hours.

Estimated Average Burden per Respondent: 120 Minutes.

Frequency of Response: Annually.

Estimated Number of Respondents: 505.

By direction of the Secretary.

Danny S. Green,

Department Clearance Officer, Office of Quality, Performance and Risk, Department of Veterans Affairs.
