SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–91429; File No. SR–DTC–2021–004]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend the Recovery & Wind-Down Plan

March 29, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b–4 thereunder,² notice is hereby given that on March 23, 2021, The Depository Trust Company (“DTC”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the clearing agency. DTC filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b–4(f)(4) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change⁵ consists of amendments to the R&W Plan to (i) reflect business and product developments, (ii) make certain changes to improve the clarity of the Plan, (iii)

remove provisions covering certain “business-as-usual” actions, and (iv) make certain technical corrections, as described in greater detail below.

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the clearing agency included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The clearing agency has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The proposed rule change would amend the R&W Plan to (i) reflect business and product developments, (ii) make certain changes to improve the clarity of the Plan, (iii) remove provisions covering certain “business-as-usual” actions, and (iv) make certain technical corrections. Each of the proposed revisions is further described below.

Background

The R&W Plan was adopted in August 2018⁶ and is maintained by DTC for compliance with Rule 17Ad–22(e)(3)(ii) under the Act.⁷ The R&W Plan sets forth the plan to be used by the Board and DTC management in the event DTC encounters scenarios that could potentially prevent it from being able to provide its critical services as a going concern. The R&W Plan is structured as a roadmap that defines the strategy and identifies the tools available to DTC to either (i) recover, in the event it experiences losses that exceed its prefunded resources (such strategies and tools referred to herein as the “Recovery Plan”) or (ii) wind-down its business in a manner designed to permit the continuation of DTC’s critical services in the event that such recovery efforts are not successful (such strategies and tools referred to herein as the “Wind-down Plan”). The recovery tools

available to DTC are intended to address the risks of (a) uncovered losses or liquidity shortfalls resulting from the default of one or more of its Participants, and (b) losses arising from non-default events, such as damage to DTC’s physical assets, a cyber-attack, or custody and investment losses, and the strategy for implementation of such tools. The R&W Plan also describes the strategy and framework for the orderly wind-down of DTC and the transfer of its business in the event the implementation of the available recovery tools does not successfully return DTC to financial viability.

The R&W Plan is managed and developed by DTC’s parent company, the Depository Trust & Clearing Corporation (“DTCC”),⁸ and is managed by the Office of Recovery & Resolution Planning (referred to in the Plan as the “R&R Team”) on behalf of DTC, with review and oversight by the DTCC Management Committee and the Board.

Proposed Amendments to the R&W Plan

The Board, or such committees as may be delegated authority by the Board from time to time pursuant to its charter, is required to review and approve the R&W Plan biennially.⁹ In connection with the first biennial review of the Plan, DTC is proposing the revisions described in greater detail below. The proposed rule change is designed to update and enhance the clarity of the Plan to ensure it is current in the event it is ever necessary to be implemented. None of the proposed changes modify DTC’s general objectives and approach with respect to its recovery and wind-down strategy as set forth under the current Plan.

A. Proposed Changes To Reflect Business or Product Developments

1. Updates to DTCC Business Profile, Intercompany Arrangements, FMI Links and Governance

DTC is proposing the following changes to the DTCC Business Profile, Intercompany Arrangements, FMI Links and Governance sections of the Plan based upon business updates that have occurred since the time the Plan was adopted.

⁸ DTCC operates on a shared service model with respect to DTC and its other affiliated clearing agencies, National Securities Clearing Corporation (“NSCC{ XE “NSCC” }”) and Fixed Income Clearing Corporation (“FICC”). Most corporate functions are established and managed on an enterprise-wide basis pursuant to intercompany agreements under which it is generally DTCC that provides relevant services to DTC, NSCC{ XE “NSCC” } and FICC (collectively, the “Clearing Agencies”).
