Van Pool states that the proposed transaction will increase fixed charges in the form of interest expenses because funds will be borrowed to assist in financing the transaction; however, Van Pool maintains that the increase will not impact the provision of transportation services to the public. (*Id.* at 11.) Van Pool also asserts that it does not expect the transaction to have substantial impacts on employees or labor conditions, and it does not anticipate a measurable reduction in force or changes in compensation levels or benefits at Local Motion. (*Id.*) Van Pool submits, however, that staffing redundancies could result in limited downsizing of back-office and/or managerial-level personnel. (*Id.*)

Based on Van Pool’s representations, the Board finds that the acquisition as proposed in the application is consistent with the public interest and should be tentatively approved and authorized. If any opposing comments are timely filed, these findings will be deemed vacated, and, unless a final decision can be made on the record as developed, a procedural schedule will be adopted to reconsider the application. See 49 CFR 1182.6. If no opposing comments are filed by expiration of the comment period, this notice will take effect automatically and will be the final Board action in this proceeding.

This action is categorically excluded from environmental review under 49 CFR 1105.6(c).
