BILLING CODE 6210-01-S

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[Program Announcement 02138]

Technology Transfer of a Community-level Intervention for Young Men at Risk for HIV Infection; Notice of Availability of Funds

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the availability of fiscal year (FY) 2002 funds for a cooperative agreement program for Technology Transfer of a Community-level Intervention for Young Men at Risk for HIV Infection. This program addresses the "Healthy People 2010" focus dealing with HIV and AIDS prevention.

The purpose of the program is to implement an HIV prevention, community level intervention in locations that served as comparison communities in research funded through the previous Program Announcement 96001.

Measurable outcomes of the program will be in alignment with one or more of the following performance goals for the National Center for Human

Immunodeficiency Virus, Sexually Transmitted Disease and Tuberculosis (HIV, STD, & TB Prevention). Through the implementation of HIV prevention programs, reduce the number of cases of HIV infection and AIDS: 1. Acquired heterosexually, 2. related to injecting drug use, 3. associated with male-to-male homosexual contact, and 4. acquired perinatally.

B. Authority and Catalog of Federal Domestic Assistance Number

This program is authorized under sections 301(a) and 317 (k)(2) of the Public Health Service Act, 42 U.S.C. section 241. The Catalog of Federal Domestic Assistance number is 93.943.

C. Eligible Applicants

Eligibility is limited to organizations (identified in this announcement as lead organizations) that were collaborative partners, or served as part of the local advisory group, in the comparison communities for the HIV prevention research study funded under Program Announcement 96001. Listed are eligible organizations located in the following communities: Atlanta, Georgia—AID Atlanta, AIDS Education Services for Minorities, Brothers Back to Back, Fulton County Health Department, Second Sunday, State of Georgia, Department of Health, STD/HIV Division (in Decatur, Georgia), and Unity Fellowship Church; Detroit, Michigan—Midwest AIDS Prevention Project (in Ferndale, Michigan); Minneapolis, Minnesota—The Bridge for Runaway Youth, The City, Inc., District 202, Face to Face Health and Counseling Services, Inc. (in Saint Paul, Minnesota), HIM Program—Red Door Clinic, Lutheran Social Services, Minnesota AIDS Project, Out4Good, Out for Equity (in Saint Paul, Minnesota), Pillsbury House, Project Solo, and Youth Link (formerly Minneapolis Youth Diversion); Queens (Jackson Heights), New York City, New York—Hispanic AIDS Forum; San Diego, California—Asian Pacific Islander Community AIDS Project and Gay and Lesbian Center; San Gabriel Valley, California—AltaMed, Bienestar, Community Health Foundation, The Wall-Los Memorias, and Whittier-Rio Hondo.

Universities and research organizations are not eligible for funding as a lead organization but can be part of the collaborative team.

In addition, eligible applicants must meet the following criteria:

(1) Where applicable, must target the following racial/ethnic populations: Asian and Pacific Islanders(San Diego); African-Americans (Atlanta); Latinos/

Hispanics (Queens [Jackson Heights]; San Gabriel Valley).

(2) Must have an agreement to collaborate with the investigator on the proposed program as evidenced by a letter of support.

Note: Title 2 of the United States Code section 1611 states that an organization described in section 501(c)(4) of the Internal Revenue Code that engages in lobbying activities is not eligible to receive Federal funds constituting an award, grant or loan.

D. Availability of Funds

Approximately \$1.2 million is available in FY 2002 to fund approximately six awards. It is expected that the average award will be \$200,000, ranging from \$150,000 to \$250,000. It is expected that the awards will begin on or about September 16, 2002 and will be made for a 12-month budget period.

Although applicants are encouraged to contract with other organizations under these cooperative agreements, applicants must perform a substantial portion of the activities (including program management and operations) for which funds are requested.

Funding Preferences

Each applicant may submit only one application and the intent is to fund one award in each of the specified communities, therefore applicants from the same geographic area are encouraged to collaborate.

Matching funds is not a requirement for this program announcement.

E. Program Requirements

In conducting activities to achieve the purpose of this program, the recipient will be responsible for the activities under 1. Recipient Activities, and CDC will be responsible for the activities listed under 2. CDC Activities.

1. Recipient Activities

a. Establish a collaborative team of prevention service providers and other community partners to implement a multi-component HIV prevention intervention for young men (aged 15-25) who have sex with men (YMSM). The collaborative team should consist of the organizations that will jointly implement intervention activities for YMSM. The collaborative team will include a lead organization, a researcher that was previously funded through Program Announcement 96001, and at least one other community organization. The lead organization and other collaborating organizations may be state or local health departments, community-based organizations, AIDS service organizations, or other social service organizations, and organizations
