BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation and Liability Act

In accordance with Departmental Policy, 28 CFR 50.7, notice is hereby given that a proposed Consent Decree in *United States of America v. The Boeing Company et al.*, Civil Action No. 10-457-LRS (E.D. Wa.), was lodged with the United States District Court for the Western District of Washington on December 23, 2010. The proposed

Consent Decree settles claims for, *inter alia*, response costs to address hazardous substances released at the Moses Lake Wellfield Superfund Site (Site).

The complaint asserts claims against the defendants—The Boeing Company, Lockheed Martin Corporation, and the City of Moses Lake—for response costs incurred at the Site by the United States Environmental Protection Agency (EPA) and the United States Army Corps of Engineers (Corps) pursuant to the section 107(a) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. 9607(a). The complaint also seeks a declaratory judgment of liability against the defendants for future response costs incurred by EPA and the Corps at the Site. The State of Washington also filed a complaint on December 23, 2010, asserting claims for response costs against the defendants as well as against the United States.

Under the proposed Consent Decree, the defendants will make payments to the United States totaling \$3.25 million to resolve their CERCLA liability at the Site. The United States, on behalf of a group of settling Federal agencies including the United States Air Force, will make payments to EPA for the future response costs that are not covered by the defendants' payments. The United States will also pay, on behalf of the settling Federal agencies, future response costs incurred by the State of Washington. Based on cleanup cost estimates, the United States' payments on behalf of the settling Federal agencies, which will be largely to EPA, are expected to be approximately \$55 million. The payments by the United States resolve claims against it by the State of Washington as well as claims by the defendants. In addition, the United States, on behalf of the settling Federal agencies, will pay the City of Moses Lake approximately \$2.96 million to resolve claims for response costs and attorney fees asserted by the City of Moses Lake in its related pending lawsuit, No. 04-0376.

The Department of Justice will receive written comments relating to the proposed Consent Decree for a period of thirty (30) days from the date of publication of this notice. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcommentees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States of America*

v. *The Boeing Company, et al.*, DJ Reference No. 90–11–2–1040/1.

The Consent Decree may be examined at the Office of the United States Attorney, Eastern District of Washington, 920 W Riverside Ave, Suite 340, Spokane, WA 99201. During the public comment period, the Consent Decree may also be examined on the following Department of Justice Web site: http://www.usdoj.gov/enrd/Consent_Decrees.html. A copy of the Consent Decree may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044–7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514–0097, phone confirmation number (202) 514–1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$24.50 (25 cents per page reproduction cost) payable to the United States Treasury or, if requesting by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.

Assistant Section Chief, Environmental Enforcement Section, Environment and Natural Resources Division, United States Department of Justice.

AGENCY: Employment and Training Administration, Labor.

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506 (c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the

Employment and Training Administration is soliciting comments concerning the proposed extension of the report for the Interstate Arrangement for Combining Employment and Wages, Form ETA 586.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice or by accessing: <http://www.doleta.gov/OMBControlNumber.cfm>.

DATES: Submit comments on or before March 7, 2011.

SUPPLEMENTARY INFORMATION:

I. Background

Section 3304(a)(9)(B), of the Internal Revenue Code (IRC) of 1986, requires states to participate in an arrangement for combining employment and wages covered under the different state laws for the purpose of determining unemployed workers' entitlement to unemployment compensation. The Interstate Arrangement for Combining Employment and Wages for combined wage claims (CWC), promulgated at 20 CFR part 616, requires the prompt transfer of all relevant and available employment and wage data between states upon request. The Benefit Payment Promptness Standard, 20 part CFR 640, requires the prompt payment of unemployment compensation including benefits paid under the CWC arrangement. The ETA 586 report provides the ETA/Office of Workforce Security with information necessary to measure the scope and effect of the CWC program and to monitor the performance of each state in responding to wage transfer data requests and the payment of benefits.

II. Desired Focus of Comments

Currently, the Department of Labor is soliciting comments concerning the proposed extension of the report for the Interstate Arrangement for Combining Employment and Wages, ETA 586. The Department is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the CWC program, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond through the use of appropriate automated or electronic collection methods.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed above in the addressee section of this notice.

III. Current Actions

This information is necessary in order for ETA to analyze program performance, know when corrective action plans are needed, and to target technical assistance resources. Without this report, it would be impossible for the ETA to identify claims and benefit activity under the CWC program and carry out the Secretary's responsibility for program oversight.
