

**DEPARTMENT OF JUSTICE****Notice of Lodging of Modification to Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act**

Notice is hereby given that on September 12, 2011, a proposed modification ("Modification") to the Consent Decree in *United States v. City of Newburgh, et al.*, Civil Action No. 08 Civ. 7378 ("Consent Decree") was lodged with the United States District Court for the Southern District of New York.

The Modification resolves the claims of the United States, on behalf of the Environmental Protection Agency ("EPA"), under Sections 107 and 113 of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. 9607 and 9613, against thirty-two potentially responsible parties (the "Other Settling Parties") who arranged for scrap metal containing hazardous substances to be transported to the Consolidated Iron and Metal Company Superfund Site (the "Site") for treatment or disposal. The Site is a former junkyard and scrap metal processing facility located in the City of Newburgh, New York. Consolidated Iron and Metal Company, Inc. ("Consolidated") operated the facility from the 1950s until 1999.

In the course of processing scrap metal materials, Consolidated contaminated the Site with hazardous substances, including lead, polychlorinated biphenyls and volatile organic compounds. Consolidated is now a defunct company.

The original 2009 Consent Decree provides that the five settling defendants who are parties to that Consent Decree (the "Defendants") may enter into settlements with other potentially responsible parties at the Site, and present such parties to EPA for potential inclusion in the Consent Decree by amendment or separate agreement. Pursuant to the Consent Decree, the Defendants entered into settlement agreements with the Other Settling Parties and presented these parties to EPA for inclusion in the Consent Decree. Pursuant to the Modification, the Other Settling Parties will pay \$200,400 to the United States, which represents 50 percent of the net settlement proceeds. The Other Settling Parties will receive contribution protection and a covenant not to sue from the United States for the Site.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication,

comments relating to the Modification. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. City of Newburgh, et al.*, D.J. Ref. 90-11-3-07979/2.

The Modification may be examined at the Office of the United States Attorney, 86 Chambers Street, 3rd Floor, New York, New York 10007, and at U.S. EPA Region 2, Office of Regional Counsel, 290 Broadway, New York, New York 10007-1866.
