#### **Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Preliminary Results, Partial Rescission, and Preliminary Determination of No Shipments of Antidumping Duty Administrative Review; 2022–2023**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) preliminarily determines that no companies under review qualify for a separate rate and that these companies are, therefore, considered part of the Socialist Republic of Vietnam (Vietnam)-wide entity. Additionally, Commerce is partially rescinding this review with respect to companies for which all review requests were timely withdrawn. Further, Commerce preliminarily determines that certain companies had no shipments of subject merchandise during the period

of review (POR), February 1, 2022, through January 31, 2023. Interested parties are invited to comment on these preliminary results.

**DATES:** Applicable November 3, 2023.

**FOR FURTHER INFORMATION CONTACT:** Jonathan Schueler, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–9175.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

On February 2, 2023, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on certain frozen warmwater shrimp from the Vietnam.<sup>1</sup> Commerce received timely requests for an administrative review from AHSTAC (the petitioner),<sup>2</sup> ASPA (domestic processors),<sup>3</sup> and numerous Vietnamese companies. On April 11, 2023, Commerce published in the **Federal Register** a notice of initiation of an administrative review of the Order for the period February 1, 2022, through January 31, 2023, covering 187 companies including multiple companies with name variations/abbreviations in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i).<sup>4</sup>

On May 16 and 17, 2023, the petitioner filed timely withdrawals of its review requests of 41 companies.<sup>5</sup> On May 17, 2023, ASPA filed timely withdrawals of its review requests of 35 companies.<sup>6</sup> On May 16, 2023, Ngoc Tri Seafood Joint Stock Company, Tai Kim Anh Seafood Joint Stock Corporation, and 49 other Vietnamese producers and

<sup>2</sup> The petitioner, AHSTAC, is the Ad Hoc Shrimp Trade Action Committee.

<sup>3</sup> The domestic processors, ASPA, are the American Shrimp Processors Association.

or exporters, including Viet I-Mei Frozen Foods Co., Ltd. (Viet I-Mei), withdrew their review requests of themselves.<sup>7</sup> On May 25, 2023, Kim Anh Company and QNL One Member Company timely withdrew their review requests of themselves.<sup>8</sup> Therefore, Commerce is rescinding its review with respect to the 66 companies for which all review requests were withdrawn, listed in Appendix II of this notice, as discussed below.

### Respondent Selection

On April 27, 2023, only one company, Viet I-Mei, filed a timely separate rate certification.<sup>9</sup> On May 3, 2023, Commerce released U.S. Customs and Border Protection (CBP) entry data in order to select respondents for individual examination.<sup>10</sup> We received comments regarding respondent selection from the petitioner on May 10, 2023.<sup>11</sup> However, Commerce did not select any mandatory respondents for individual examination because the sole company which timely filed a separate rate application and/or certification and was, therefore, eligible for individual examination (*i.e.*, Viet I-Mei) had no remaining review requests on the record, as discussed below.

### Scope of the Order

The merchandise subject to the *Order* is certain frozen warmwater shrimp. The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item subheadings: 0306.17.0004, 0306.17.0005, 0306.17.0007, 0306.17.0008, 0306.17.0010, 0306.17.0011, 0306.17.0013, 0306.17.0014, 0306.17.0016, 0306.17.0017, 0306.17.0019, 0306.17.0020, 0306.17.0022, 0306.17.0023, 0306.17.0025, 0306.17.0026, 0306.17.0028, 0306.17.0029, 0306.17.0041, 0306.17.0042, 1605.21.10.30, and 1605.29.10.10. Although the HTSUS subheadings are provided for convenience and for customs purposes, the written product description, provided in Appendix I, remains dispositive.

<sup>10</sup> See Memorandum, "Customs Data of U.S. Imports of Certain Frozen Warmwater Shrimp for Respondent Selection," dated May 3, 2023.

<sup>11</sup> See Petitioner's Letter, "Domestic Producers' Comments Regarding Respondent Selection," dated May 10, 2023.

### Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. Because all requests for administrative review of the 66 companies listed in Appendix II were withdrawn by interested parties within 90 days of the date of publication of the *Initiation Notice*, and no other interested party requested a review of them, Commerce is rescinding this review with respect to these companies and their name variations/abbreviations, in accordance with 19 CFR 351.213(d)(1). Commerce will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period February 1, 2022, through January 31, 2023, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 35 days after the publication of this notice in the **Federal Register**. The administrative review remains active with respect to 121 companies.

### Preliminary Determination of No Shipments

Commerce received timely no-shipment certifications from four companies: Bien Dong Seafood Co., Ltd.; Vinh Hoan Corp.; Seavina Joint Stock Company; and BIM Foods Joint Stock Company.<sup>12</sup> To confirm these companies' no-shipment claims, Commerce issued a no-shipment inquiry to CBP and received no contradictory information.<sup>13</sup> Therefore, we preliminarily determine that these four companies did not have any shipments of subject merchandise during the POR.

<sup>12</sup> See BIM Foods Joint Stock Company's Letter, "No Shipments Certification," dated April 11, 2023; see also Vinh Hoan Corp. and Van Duc Food Export Joint Stock Company's Letter, "No Shipment Certification," dated April 28, 2023; Bien Dong Seafood Co., Ltd.'s Letter, "Notice of No Sales," dated May 9, 2023; and Seavina Joint Stock Company's Letter, "Notice of No Sales," dated May 9, 2023. We omitted Van Duc Export Joint Stock Company from this list because although it timely filed a no-shipment certification, the company is not under review. See *Initiation Notice*, 88 FR at 21617.

<sup>13</sup> See Memorandum, "No Shipment Inquiry for Multiple Companies During the Period 02/01/2022 through 01/31/2023," dated July 11, 2023 (where CBP confirmed that it found no entries of subject merchandise by Bien Dong Seafood Co., Ltd., Vinh Hoan Corp., Van Duc Food Export Joint Stock Company, Seavina, and Seavina Joint Stock Company, and BIM Foods Joint Stock Company, or BIM Seafood Joint Stock Company).

Consistent with Commerce's practice, we will not rescind the review with respect to these companies, but, rather, will complete the review and issue instructions based on the final results.<sup>14</sup>

### Vietnam-Wide Entity

Commerce finds that 117 companies (*see* Appendix III) under review have not established eligibility for a separate rate and are considered to be part of the Vietnam-wide entity for these preliminary results. Commerce's policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.<sup>15</sup> Under this policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity, the entity is not under review and the entity's rate of 25.76 percent is not subject to change.

### Preliminary Results of Review

Commerce finds that because no company still under review submitted a timely separate rate application or separate rate certification, no company still under review has established eligibility for a separate rate. Based on the above information, Commerce has not calculated any dumping margins for any companies under review, nor has Commerce granted separate rates to any companies under review. Additionally, as discussed above, Commerce has preliminarily determined that the 117 companies that remain under review but which did not submit no-shipment certifications are subject to the Vietnam-wide entity rate of 25.76 percent (*see* Appendix III).

### Disclosure and Public Comment

Normally, Commerce will disclose the calculations used in its analysis to parties in this review within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, here Commerce only applied the Vietnam-wide rate, which was established in the underlying investigation,<sup>16</sup> to the 117 companies

identified in Appendix III. Thus, there are no calculations to disclose.

Interested parties may submit case briefs no later than 30 days after the date of publication of this notice.<sup>17</sup> Rebuttal briefs, the content of which is limited to the issues raised in the case briefs, must be filed within five days from the deadline date for the submission of case briefs.<sup>18</sup> Parties who submit case or rebuttal briefs in this proceeding are requested to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>19</sup> Case and rebuttal briefs should be filed electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>20</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed document must be received successfully in its entirety by ACCESS by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.<sup>21</sup> Hearing requests should contain the following information: (1) the party's name, address, and telephone number; (2) the number of participants; (3) whether any participant is a foreign national; and (4) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined.<sup>22</sup>

#### Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject

merchandise covered by this review. For the companies in which Commerce is rescinding this administrative review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**. For the remaining companies under review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

If we continue to find in the final results no shipments for the companies identified in the "Preliminary Determination of No Shipments" section above, Commerce will instruct CBP to liquidate any suspended entries of subject merchandise that entered under those companies' case numbers at the Vietnam-wide rate.<sup>23</sup>

For the final results, if we continue to treat the 117 companies identified in Appendix III as part of the Vietnam-wide entity, we will instruct CBP to apply an *ad valorem* assessment rate of 25.76 percent to all entries of subject merchandise during the POR which were produced and/or exported by those companies. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Act: (1) for all Vietnam exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the existing rate for the Vietnam-wide entity of 25.76 percent; and (2) for all non-Vietnam exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnam exporter that supplied that non-Vietnam exporter. These cash deposit requirements, when

imposed, shall remain in effect until further notice.

#### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised by the parties in the written comments, within 120 days of publication of these preliminary results in the *Federal Register*, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties. This determination is issued and published in accordance with sections 751(a)(1)(B) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

#### Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1)(B) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: October 30, 2023.

When dusted in accordance with the definition of dusting above, the battered shrimp product is also coated with a wet viscous layer containing egg and/or milk, and par-fried.
