

of the ineffective anti-terrorism measures. The Secretary has delegated to the Coast Guard authority to carry out the provisions of this section. Previous notices have imposed or removed conditions of entry on vessels arriving from certain countries, and those conditions of entry and the countries they pertain to remain in effect unless modified by this notice. On May 2, 2005, the Coast Guard published a Notice of Policy in the **Federal Register**, (70 FR 22668), announcing that it had determined that ports in the Islamic Republic of Mauritania, among other countries, were not maintaining effective anti-terrorism measures, and imposed conditions of entry.

Based on recent information, the Coast Guard has determined that the Islamic Republic of Mauritania is now maintaining effective anti-terrorism measures, and is accordingly removing the conditions of entry announced in previously published Notice of Policy. With this notice, the current list of countries not maintaining effective anti-terrorism measures is as follows: Cambodia, Cameroon, Republic of the Congo, Cuba, Equatorial Guinea, Guinea-Bissau, Indonesia, Iran, Liberia, Madagascar, Sao Tome and Principe, Syria, Timor-Leste, and Venezuela.

This notice is issued under authority of 46 U.S.C. 70110(a)(3).

Dated: March 10, 2011.

SUPPLEMENTARY INFORMATION:

Background

Monument Establishment and Management Responsibilities

On January 6, 2009, President George W. Bush issued Proclamation No. 8335 (Proclamation), establishing the Monument under the authority of the Antiquities Act of 1906. The Monument consists of three units: The Islands Unit encompasses the waters and submerged lands of the three northernmost Mariana Islands from the mean low water line

out approximately 50 nautical miles (nmi); the Volcanic Unit encompasses each designated volcanic feature and the surrounding submerged lands out to 1 nmi; and the Trench Unit encompasses the submerged lands within the Mariana Trench.

The Monument encompasses approximately 61 million acres of submerged lands and certain waters of the Mariana Archipelago. The Trench Unit contains approximately 50.5 million acres of submerged lands, the Volcanic Unit includes approximately 55,912 acres of submerged lands, and the Islands Unit encompasses approximately 10.5 million acres of submerged lands and waters.

The Secretary of the Interior, in consultation with the Secretary of Commerce, has responsibility for management of the Monument; except that the Secretary of Commerce, in consultation with the Secretary of the Interior, has primary responsibility for management with respect to fishery-related activities regulated pursuant to the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act) (16 U.S.C. 1801 *et seq.*), the Proclamation, and other applicable legal authorities.

The Proclamation requires the Secretaries of the Interior and Commerce to prepare management plans within their respective authorities for the Monument, and promulgate implementing regulations that address specific actions necessary for the proper care and management of the Monument. With this notice, the Department of the Interior and the Department of Commerce (Departments) are commencing development of the MMP. The Departments will work cooperatively under Fish and Wildlife Service's lead in this process. The Commerce Department, in consultation with the Secretary of the Interior, is working with the Western Pacific Fishery Management Council pursuant to the Magnuson-Stevens Fishery Conservation and Management Act and the Proclamation to develop a fisheries ecosystem plan amendment and related regulations. To the extent they relate to waters within the Monument, the plan amendment and implementing regulations will be one component of the MMP. The Departments intend to cooperate and coordinate in the development and timing of these planning and management processes.

To carry out his responsibilities from the President under the Proclamation, by Secretary's Order 3284 (Order) dated January 16, 2009, the Secretary of the Interior delegated all of his management responsibility for the Monument to the
