

On June 15, 2000, the petitioners withdrew their request for a review of KISCO. Section 351.213(d)(1) of our regulations states that:

The Secretary will rescind an administrative review under this section, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of the publication of notice of initiation of the requested review.

Section 351.213(d)(1) of our regulations further provides that we may extend that deadline, and it is our practice to do so, where it is reasonable, i.e., where the Department has not expended considerable time and resources, and where it does not appear that the procedures are being abused. *See, e.g., Fresh Kiwifruit From New Zealand: Initiation and Preliminary Results of Changed Circumstances Review and Intent To Revoke Order, and Rescission of Antidumping Duty Administrative Review*, 64 FR 45508 45509 (August 20, 1999); *see also, Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27296, 27317 (May 19, 1997). In this review, the petitioners withdrew their request for review after the 90-day deadline. However, since the petitioners' withdrawal was made before the review had progressed beyond a point where it would be unreasonable to rescind, and because KISCO supports the petitioners' request for withdrawal, we find that rescinding the review with respect to KISCO would not prejudice any party to the proceeding and would, therefore, be reasonable. *See, e.g., Glycine From the People's Republic of China; Notice of Rescission of Antidumping Duty Administrative Review*, 63 FR 54406 56607 (October 22, 1998). Therefore, in accordance with section 351.213(d)(1) of our regulations, we have rescinded the review with respect to KISCO (*see, Memorandum to Susan Kuhbach of June 27, 2000 on Partial Rescission of Administrative Review*).

This notice is in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 351.213(h)(2).

Dated: July 11, 2000.

#### Inland Waterways Users Board

**AGENCY:** Department of the Army, DoD.

**ACTION:** Notice or request for nominations.

**SUMMARY:** Section 302 of Public Law (PL) 99-662 established the Inland Waterways Users board. The Board is an independent Federal advisory committee. Its 11 members are appointed by the Secretary of the Army. This notice is to solicit nominations for six (6) appointments or reappointments to two-year terms that will begin January 1, 2001.

**ADDRESSES:** Office of the Assistant Secretary of the Army (Civil Works), Department of the Army, Washington, D.C. 20310-0103. Attention: Inland Waterways Users Board Nominations Committee.

**FOR FURTHER INFORMATION CONTACT:** Dr. Joseph W. Westphal, Assistant Secretary of the Army (Civil Works), (703) 697-8986.

**SUPPLEMENTARY INFORMATION:** The selection, service, and appointment of Board members are covered by provisions of Section 302 of PL 99-662. The substance of those provisions is as follows:

a. Selection. Members are to be selected from the spectrum of commercial carriers and shippers using the inland and intracoastal waterways, to represent geographical regions, and to be representative of waterborne commerce as determined by commodity ton-miles statistics.

b. Service. The Board is required to meet at least semi-annually to develop and make recommendations to the Secretary of the Army on waterways construction and rehabilitation priorities and spending levels for commercial navigation improvements, and report its recommendations annually to the Secretary and Congress.

c. Appointment. The operation of the Board and appointment of its members are subject to the Federal Advisory Committee Act (PL 92-463, as amended) and departmental implementing regulations. Members serve without compensation but their expenses due to Board activities are reimbursable. The considerations specified in section 302 for the selection of the Board members, and certain terms used therein, have been interpreted, supplemented, or otherwise clarified as follows:

#### (1) Carriers and Shippers

The law uses the terms "primary users and shippers." Primary users has been interpreted to mean the providers of transportation services on inland waterways such as barge or towboat operators. Shippers has been interpreted to mean the purchasers of such services for the movement of commodities they own or control. Individuals are appointed to the Board, but they must be either a carrier or shipper, or represent a firm that is a carrier or shipper. For that purpose a trade or regional association is neither a shipper or primary user.

#### (2) Geographical Representation

The law specifies "varous" regions. For the purpose of selecting Board members, the waterways subjected to fuel taxes and described in PL 95-502, as amended, have been aggregated into six regions. They are (1) the Upper Mississippi River and its tributaries above the mouth of the Ohio; (2) the Lower Mississippi River and its
