### Federal Energy Regulatory Commission

[Docket No. RM22–17–000]

#### American Gas Association, American Public Gas Association, Process Gas Consumers Group, Natural Gas Supply Association; Notice of Petition for Rulemaking

Take notice that, on June 2, 2022, American Gas Association, American Public Gas Association, Process Gas Consumers Group, and Natural Gas Supply Association (collectively, Petitioners), pursuant to Rule 207(a)(4) of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, 18 CFR 385.207(a)(4), filed a petition requesting that the Commission conduct a rulemaking to adopt a rule precluding natural gas pipelines from the practice of aggregating bids on non-contiguous segments of capacity in determining the highest value bid for the purpose of allocating capacity.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on Petitioners.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all

interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID-19), issued by the President on March 13, 2020. ### Federal Energy Regulatory Commission

[Docket No. CP22-470-000]

#### Texas Eastern Transmission, LP; Notice of Application and Establishing Intervention Deadline

Take notice that on June 2, 2022 Texas Eastern Transmission, LP, (Texas Eastern) 5400 Westheimer Court, Houston, TX 77056-5310, filed an application under section 7(b) of the Natural Gas Act (NGA), and Part 157, Subpart A of the Commission's regulations requesting the authority to abandon a certain auxiliary pipeline segment located in Polk and San Jacinto Counties, Texas.

Specifically, Specifically, Texas Eastern is requesting approval to abandon in place an approximate 2.8-mile segment of 24-inch diameter

auxiliary pipeline, designated as Line 11-Aux-1, between milepost ("MP") 137.72 and MP 140.51 across Lake Livingston. The Project will eliminate the need for future operating and maintenance expenditures on a pipeline segment that is not needed to provide transportation services and has not been used in many years. Abandonment of this pipeline segment will not change the certificated capacity of Texas Eastern's system and will not result in the termination or reduction in service to existing Texas Eastern customers. The total estimated cost of abandonment is approximately \$197,324.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://www.ferc.gov>) using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. At this time, the Commission has suspended access to the Commission's Public Reference Room, due to the proclamation declaring a National Emergency concerning the Novel Coronavirus Disease (COVID-19), issued by the President on March 13, 2020. Any questions regarding the proposed project should be directed to Emery Biro, Associate General Counsel, Texas Eastern Transmission LP, P.O. Box 1642, Houston, Texas 77251-1642; by phone at (713) 627-4704 or by email to [emery.biro@enbridge.com](mailto:emery.biro@enbridge.com).

Pursuant to Section 157.9 of the Commission's Rules of Practice and Procedure,<sup>1</sup> within 90 days of this Notice the Commission staff will either: complete its environmental review and place it into the Commission's public record (eLibrary) for this proceeding; or issue a Notice of Schedule for Environmental Review. If a Notice of Schedule for Environmental Review is issued, it will indicate, among other milestones, the anticipated date for the Commission staff's issuance of the final environmental impact statement (FEIS) or environmental assessment (EA) for this proposal. The filing of an EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the

completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

### Public Participation

There are two ways to become involved in the Commission's review of this project: you can file comments on the project, and you can file a motion to intervene in the proceeding. There is no fee or cost for filing comments or intervening. The deadline for filing a motion to intervene is 5:00 p.m. Eastern Time on July 5, 2022.

### Comments

Any person wishing to comment on the project may do so. Comments may include statements of support or objections to the project as a whole or specific aspects of the project. The more specific your comments, the more useful they will be. To ensure that your comments are timely and properly recorded, please submit your comments on or before July 5, 2022.

There are three methods you can use to submit your comments to the Commission. In all instances, please reference the Project docket number CP22-470-000 in your submission.
