## NATIONAL CREDIT UNION ADMINISTRATION

### Agency Information Collection Activities: Submission to OMB for Revision to a Currently Approved Information Collection; Comment Request

**AGENCY:** National Credit Union Administration (NCUA).

**ACTION:** Request for comment.

**SUMMARY:** The NCUA intends to submit the following information collection to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). This information collection is published to obtain comments from the public. NCUA is proposing a data collection change to the credit union Profile as well as the 5300 Call Report. NCUA is proposing to add a new account to the Contacts section of the Profile to identify the initial date of election or appointment of each official to help assess the longevity of credit union board members. Additionally, NCUA is planning to add a question to the Regulatory section of the Profile where credit unions will be required to certify their compliance with 12 CFR 701.4. On the 5300 Call Report, NCUA will revise the regulatory reporting requirements by eliminating the data collection on modified loans and target data collection efforts on loans meeting the definition of a troubled debt restructured loan under Generally Accepted Accounting Principles.

**DATES:** Comments will be accepted until July 24, 2012.

**ADDRESSES:** Interested parties are invited to submit written comments to the NCUA Contact and the OMB Reviewer listed below:

**NCUA Contact:** Tracy Crews, National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314-3428, Fax No. 703-837-2861, Email: [OCIOMail@ncua.gov](mailto:OCIOMail@ncua.gov).

**OMB Contact:** Office of Management and Budget, Attn: Desk Officer for the National Credit Union Administration, Office of Information

and Regulatory Affairs, Washington, DC 20503.

**FOR FURTHER INFORMATION CONTACT:**

Requests for additional information, a copy of the information collection request, or a copy of submitted comments should be directed to Tracy Crews at the National Credit Union Administration, 1775 Duke Street, Alexandria, VA 22314-3428, or at (703) 518-6444.

**SUPPLEMENTARY INFORMATION:**

**I. Abstract and Request for Comments**

NCUA is amending the currently approved collection for 3133-0004. Two specific forms are used, NCUA Form 5300 and NCUA Profile Form 4501A, also known as the Call Report and Profile, respectively. Section 741.6 of the NCUA Rules and Regulations requires all federally insured credit unions to submit a Call Report quarterly. 12 CFR 741.6. The information enables the NCUA to monitor credit unions whose share accounts are insured by the National Credit Union Share Insurance Fund. NCUA uses the information collected from these Call Reports to fulfill its mission of supervising credit unions and the Federal Reserve Board uses it to monitor and control the nation's money supply and the system of financial institutions. Congress and various state legislatures use this information to monitor, regulate, and control credit unions and financial institutions. The changes made to the Profile and Call Report form for December 2012 will help the National Credit Union Administration assess the longevity of credit union board members and provide data to assess financial risks and loan practices of credit unions. There is a decrease of 4,515 hours from the last submission (2011). The decrease is noted as an adjustment of the number of credit unions completing Form 5300 from 7,264 federally insured credit unions to 7,093. This decline is due strictly to credit union mergers and liquidations.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could

minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record.
