Description: Under Executive Orders 12073 and 10582, and DOL's regulations at 20 CFR parts 651 and 654, the Secretary of Labor is required to classify Labor Surplus Areas (LSAs) and disseminate this information for the use of all Federal agencies. This information is used by Federal agencies as well as State and Local governments for various purposes including procurement decisions, food stamp waiver decisions, certain small business loan decisions, as well as other purposes determined by the agencies.

DOL's regulations specify that the Department can add areas to the annual LSA listing under the exceptional circumstance criteria. Such additions are based upon information contained in petitions submitted by the State Workforce Agencies (SWAs) to DOL. These petitions contain specific economic information about an area in order to provide ample justification for adding the area to the LSA listing under the exceptional circumstances criteria. For additional information, see related notice published at 72 FR 58899 on October 17, 2007.
