

## VI. Provisions for Disposition of Existing Stocks

Existing stocks are those stocks of registered pesticide products that are currently in the United States and that were packaged, labeled, and released for shipment prior to the effective date of the cancellation action. If the requests for voluntary cancellation are granted, the Agency intends to publish the cancellation order in the **Federal Register**.

In any order issued in response to these requests for cancellation of product registrations, EPA proposes to include the following provisions for the treatment of any existing stocks of the products listed in Table 1 of Unit III.

Syngenta Crop Protection, Inc. may formulate existing stocks of product number 100-723 into end-use product until supplies of product number 100-723 are exhausted. Syngenta Crop Protection, Inc. will be permitted to sell and distribute end-use product (product number 100-722) until December 31, 2012, the effective date of the cancellation of product number 100-722. Thereafter, Syngenta Crop Protection, Inc. will be prohibited from selling or distributing the product number 100-722, except for export consistent with FIFRA section 17 or for proper disposal.

Whitmire Micro-Gen Research Laboratories, Inc. will be permitted to sell and distribute existing stocks of voluntarily canceled end-use product (product number 499-437) until December 31, 2013. Thereafter, Whitmire Micro-Gen Research Laboratories, Inc. will be prohibited from selling or distributing product number 499-437, except for export consistent with FIFRA section 17 or for proper disposal.

Persons other than the registrants may sell, distribute, or use existing stocks of the canceled products listed in Table 1 of Unit III, until supplies are exhausted, provided that such sale, distribution, or use is consistent with the terms of the previously approved labeling on, or that accompanied, the canceled products.

The regulation at 29 CFR 1625.22 reiterates those

disclosure requirements. The EEOC seeks an extension without change for the third-party disclosure requirements contained in this regulation. On June 17, 2010, the Commission published a 60-Day Notice informing the public of its intent to request an extension of the information collection requirements from the Office of Management and Budget. 75 FR 34449 (June 17, 2010). No comments were received.
