This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

- FAR 52.219–28, Post-Award Small Business Program

Rerepresentation. This clause requires contractors that originally represented themselves as a small business for a contract award to rerepresent their size and socioeconomic status at the prime contract level by updating their representations in the Representations and Certifications section of the System for Award Management (SAM). Contractors are also required to notify the contracting officer by email, or otherwise in writing, that the rerepresentations have been made, and provide the date on which they were made.

Small business contractors are required to rerepresent their size and socioeconomic status upon occurrence of any of the following:

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.

#### A. Purpose

There are two purposes. The first (“889”) supports implementation of section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (Pub. L. 115–232) under lease acquisitions and commercial solution openings. This section prohibits agencies from procuring, obtaining, extending or renewing a contract with contractors that will provide or use covered telecommunication equipment or services as a substantial or essential component of any system, or as a critical technology as part of any system on or after August 13, 2020 unless an exception applies.

The second (“FASCSA Orders”) supports implementation of supply chain risk information sharing and exclusion or removal orders consistent with the Federal Acquisition Supply Chain Security Act of 2018 and a final rule issued by the Federal Acquisition Security Council. The implementation of supply chain risk information sharing and exclusion or removal orders FAR interim rule requires complying with exclusion or removal orders (“FASCSA Orders”) and sharing certain supply chain risk information with the Federal

Acquisition Security Council (FASC) when applicable FASCSA orders are issued from one or a combination of the following FASCSA orders-issuing agencies: Department of Homeland Security (DHS), the Department of Defense (DoD), and/or the Office of the Director of National Intelligence (DNI). Only DHS may issue orders applicable to GSA (*i.e.*, civilian agencies).

For 889, the requirement is implemented in the Federal Acquisition Regulation (FAR) through the provision at FAR 52.204–24, Representation Regarding Certain Telecommunications and Video Surveillance Services or Equipment and the clause at FAR 52.204–25, Prohibition on Contracting for Certain Telecommunications and Video Surveillance Services or Equipment.

For FASCSA Orders, the requirement is implemented in the FAR through the provision at FAR 52.204–29, Federal Acquisition Supply Chain Security Act Orders-Representation and Disclosures and the clause at FAR 52.204–30, Federal Acquisition Supply Chain Security Act Orders-Prohibition.
