

The Department will determine and the U.S. Bureau of Customs and Border Protection ("CBP") shall assess antidumping duties on all appropriate entries. Except where the Court of International Trade has issued a preliminary injunction enjoining the liquidation of certain entries during the period of review, we intend to issue appropriate assessment instructions directly to CBP 15 days after publication of these amended final results of review. For a general discussion of the application of assessment rates, see *Final Results*, 75 FR at 47776.

Cash Deposit Requirements

For all shipments of certain warmwater shrimp from Vietnam entered, or withdrawn from warehouse, for consumption on or after the publication date of these *Amended Final Results*, as provided by section 751(a)(2)(C) of the Act: (1) For companies covered by this review, the cash deposit rate will be the rate listed above; (2) for previously reviewed or investigated companies other than those covered by this review, the cash deposit rate will be the company-specific rate established for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the producer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; and (4) if neither the exporter nor the producer is a firm covered in this review, a prior review, or the investigation, the cash deposit rate will be 25.76 percent, the Vietnam-wide rate established in the less-than-fair-value investigation. These deposit requirements shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement

could result in the presumption that reimbursement of antidumping duties occurred and the subsequent increase in antidumping duties by the amount of antidumping duties reimbursed.

Administrative Protective Order

This notice also is the only reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

These amended final results of administrative review and notice are issued and published in accordance with sections 751(h), and 777(i)(1) of the Act, and 19 CFR 351.224.

Dated: September 29, 2010.
