Site 7 is subject to a sunset provision that would terminate authority on September 1, 2011 and Sites 8–12 are subject to a sunset provision that would terminate authority on January 31, 2014 where no activity has occurred under FTZ procedures before those dates.

The grantee's proposed service area under the ASF would be Winnebago, Stephenson, Ogle, Lee, DeKalb, and Boone Counties, and portions of Bureau, McHenry and Kane Counties, Illinois. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Rockford Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include all of the sites as "magnet sites" and 40 acres of Site 4 would be deleted due to changed circumstances.

In accordance with the Board's regulations, Claudia Hausler of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is March 16, 2010. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to March 31, 2010.
