b. The percentage of first-time, full-time degree-seeking undergraduate students at two-year NASNTIs who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same NASNTI;

c. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at four-year NASNTIs who graduate within six years of enrollment; and

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at two-year NASNTIs who graduate within three years of enrollment.

5. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application. In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

SUPPLEMENTARY INFORMATION:

Purpose of Programs: Through Title VI, Part A and Part B of the Higher Education Act of 1965, as amended (HEA), eligible institutions of higher education or consortia of institutions of higher education receive funding to implement projects to strengthen institutional and national capacity in area studies, international studies, world languages, and the international context in which business is transacted. Institutions design and implement projects to meet the goal of producing graduates and trained personnel with knowledge and expertise in area and international studies, world languages, and international business.

Parts A and B of Title VI of the HEA do not authorize grantees to make subgrants. Through this notice, pursuant to 34 CFR 75.708(b), we authorize grantees under the CIBE, NRC, LRC, and UISFL programs to make subgrants under certain circumstances.

Program Authority: 20 U.S.C. 1122, 1123, 1124, 1130–1, and 1132–1137.

Applicable Regulations: (a) The Education Department General Administrative Regulations 34 CFR parts 75, 77, 79, 82, 86, 97, 98, 99. (b) The OMB Guidelines to Agencies on Government wide Debarment and

Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485, and the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended in 2 CFR part 3474. (c) The International Education Programs—General Provisions in 34 CFR part 655. (d) The NRC Program regulations in 34 CFR part 656. (e) The LRC Program regulations in 34 CFR part 658. (f) The UISFL Program regulations in 34 CFR part 669.

Eligible Entities for Subgrants: Eligible entities for subgrants are the non-Federal entities with whom the HEA, Title VI grantee institutions are in collaboration with to conduct the activities in the Title VI funded applications. The non-Federal entities or subrecipients include, but are not limited to, community colleges, Minority-Serving Institutions, local educational agencies, State educational agencies, school districts, and elementary, middle, or secondary schools. An individual at a non-Federal entity who receives a benefit from the CIBE, LRC, NRC or UISFL program does not qualify as an eligible subrecipient.

Discussion: International and Foreign Language Education (IFLE), Office of Postsecondary Education authorizes grantees to make subgrants to support a more efficient, effective, and seamless delivery of international education activities to non-Federal entities. These include activities to meet the fiscal year 2014 competitive preference priorities through which grantees establish partnerships with community colleges, Minority-Serving Institutions, and teacher education programs, in addition to the other activities identified in the HEA and program regulations. The current absence of subgranting authority limits the extent to which the program grantees and non-Federal entities can collaborate to conduct the activities described in funded applications.

Requirements: Grantees in the CIBE, NRC, LRC, and UISFL programs may make subgrants only to directly carry out project activities described in their applications. Consistent with 34 CFR 75.708(d), grantees must ensure that subgrants are awarded on the basis of the approved budget that is consistent with the grantee's approved application and all applicable Federal statutory, regulatory, and other requirements. Grantees under these programs must ensure that every subgrant includes any conditions required by Federal statutes and executive orders and their implementing regulations. Grantees must ensure that subgrantees are aware

of the requirements imposed upon them by Federal statutes and regulations, including the Federal anti-discrimination laws in 34 CFR 75.500 and enforced by the Department.

Note: This notice does *not* solicit applications.

Accessible Format: Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotope, or compact disc) on request to the program contact person listed under **FOR FURTHER INFORMATION CONTACT**.
