

comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the collection of data about Job Corps Placement and Assistance Record [OMB Control No. 1205-0035, expires 09/30/2010]: ETA 678 form, Job Corps Placement and Assistance Record. ETA form 678 currently captures information about a student's training and subsequent placement in a job, higher education or the military, as well as the name of the placement provider agency. It is used to evaluate overall program effectiveness. This form is critical to the program's evaluation process. It is the only form which documents a student's post-center status. This form is completed by either a Job Corps center records staff or a career transition specialist for each student.

Proposed change:

1. Change the form title from Job Corps Placement and Assistance Record to Job Corps Placement Record.
2. The form will now capture e-mail, fax number, and Web site addresses.
3. Change Student's Vocational Training to Student's Career Technical Training (the acronym CTT will appear on the actual form); change apprenticeship to Registered Apprenticeship; add GED; Change Center ID to Center Code; change Placers ID to Career Transition Service ID (the acronym CTS will appear on the actual form); change Occupational Information Net (ONET) code to TAR (training achievement record) code; add TPA (training program area) to align with the CTT program changes; and add a Job Training Match (JTM) verification entry for (ONET) Standard Occupational Classification (SOC) codes 41-2022.00 and 43-5081.01 to add greater clarification.
4. Add information on employer benefits: 1. Does the job offer benefits? Add verification of employment or education; a drop down selection menu will be added to the form to capture pay stub, 1099, or transcript.
5. Delete section heading: Non-Placer A. Was Student Self Placed?
6. Add section heading: Placement Upgrade? Y or N to capture improvements to initial placements and

to avoid the appearance of double placements.
