Title: Survey on Ensuring Equal Opportunity for Applicants.

Abstract: To ensure equal opportunity for all applicants including small community-based, faith-based and religious groups, it is essential to collect information that allows Federal agencies

to determine the level of participation of such organizations in Federal grant programs while ensuring that such information is not used in grant-making decisions.

Additional Information: The Department requests emergency processing for the "Survey on Ensuring Equal Opportunity for Applicants" which tracks the participation level of faith-based and community organizations in grant programs. The ability to utilize this form immediately is critical to the implementation of President's Bush's Faith-based and Community Initiative established by an Executive Order dated January 29, 2001 and to carry out the mandate of Section 3(b) of that order. As Congress may enact authorizing and appropriating legislation for the U.S. Department of Education in mid December 2001, it will be necessary to roll out grant application materials as soon as possible to expeditiously fund much needed social programs in Fiscal Year 2002. Since this form must be included in grant application packages, delay in the approval of this form could delay the funding of grant programs. Since this unanticipated event, the Department has consulted with the Office of Management and Budget, the White House Office of Faith-based and Community Initiatives as well as the four Centers for Faith-based and Community Initiatives at the Department of Health and Human Services, Department of Labor, Department of Housing and Urban Development, and the Department of Justice. The Department requests approval by January 2, 2002.
