SUPPLEMENTARY INFORMATION:

Title: Requirements for Establishing U.S. Citizenship—46 CFR 355.

OMB Control Number: 2133–0012.

Type of Request: Renewal of a Previously Approved Information Collection Abstract Maritime

Administration implementing regulations at 46 CFR parts 355 and 356 set forth requirements for establishing U.S. citizenship in accordance with MARAD statutory authority. Those receiving benefits under 46 U.S.C. chapters 531, 535, and 537 (formerly the Merchant Marine Act, 1936, as amended), or applicants seeking a fishery endorsement eligibility approval pursuant to the American Fisheries Act must be citizens of the United States within the meaning of 46 U.S.C. 50501, (formerly Section 2 of the Shipping Act, 1916, as amended). In either case, whether seeking program benefits or fishery endorsement eligibility, Section 50501 sets forth the statutory requirements for determining whether an applicant, be it a corporation, partnership, or association is a U.S. citizen. 46 CFR part 356 is distinguished from 46 CFR part 355 in that part 356 establishes requirements for U.S. citizenship exclusively in accordance with the AFA while part 355 is applied for purposes of establishing citizenship across multiple MARAD programs arising under other statutory authority. Most program participants are required to submit to MARAD on an annual basis the form of affidavit prescribed by part 355 or part 356.
