RAILROAD RETIREMENT BOARD

Proposed Collection; Comment Request

In accordance with the requirement of Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995 which provides opportunity for public comment on new or revised data collections, the Railroad Retirement Board (RRB) will publish periodic summaries of proposed data collections.

Comments are invited on: (a) Whether the proposed information collection is necessary for the proper performance of the functions of the agency, including whether the information has practical utility; (b) the accuracy of the RRB's estimate of the burden of the collection

of the information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden related to the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

1. Title and purpose of information collection: Employee's Certification; OMB 3220-0140. Section 2 of the Railroad Retirement Act (RRA) (45 U.S.C. 231a), provides for the payment of an annuity to the spouse or divorced spouse of a retired railroad employee. For the spouse or divorced spouse to qualify for an annuity, the RRB must determine if any of the employee's current marriage to the applicant is valid.

The requirements for obtaining documentary evidence to determine valid marital relationships are prescribed in 20 CFR 219.30 through 219.35. Section 2(e) of the RRA requires that an employee must relinquish all rights to any railroad employer service before a spouse annuity can be paid.

The RRB uses Form G-346, Employee's Certification, to obtain the

information needed to determine whether the employee's current marriage is valid. Form G-346 is completed by the retired employee who is the husband or wife of the applicant for a spouse annuity. Completion is required to obtain a benefit. One response is requested of each respondent. The RRB proposes no changes to Form G-346.

Consistent with 20 CFR 217.17, the RRB uses Form G-346sum, *Employee's Certification Summary*, which mirrors the information collected on Form G-346, when an employee, after being interviewed by an RRB field office representative "signs" the form using an alternative signature method known as "attestation." Attestation refers to the action taken by the RRB field office representative to confirm and annotate the RRB's records of the applicant's affirmation under penalty of perjury that the information provided is correct and the applicant's agreement to sign the form by proxy. Completion is required to obtain a benefit. One response is requested of each respondent. The RRB proposes no changes to Form G-346sum.

ESTIMATE OF ANNUAL RESPONDENT BURDEN

Form No.	Annual responses	Time (minutes)	Burden (hours)
G-346	3,300	5	300
G-346sum	2,260	5	188
Total	5,560	488

2. Title and purpose of information collection: Railroad Separation Allowance or Severance Pay Report; OMB 3220-0173.

Section 6 of the Railroad Retirement Act (45 U.S.C. 231e) provides for a lump-sum payment to an employee or the employee's survivors equal to the Tier II taxes paid by the employee on a separation allowance or severance payment for which the employee did not receive credits toward retirement. The lump-sum is not payable until retirement benefits begin to accrue or the employee dies. Also, Section 4 (a-1) (iii) of the Railroad Unemployment Insurance Act provides that a railroad

employee who is paid a separation allowance is disqualified for unemployment and sickness benefits for the period of time the employee would have to work to earn the amount of the allowance. The reporting requirements are specified in 20 CFR 209.14.

In order to calculate and provide payments, the Railroad Retirement Board (RRB) must collect and maintain records of separation allowances and severance payments which were subject to Tier II taxation from railroad employers. The RRB uses Form BA-9, Report of Separation Allowance or Severance Pay, to obtain information from railroad employers concerning the

separation allowances and severance payments made to railroad employees and/or the survivors of railroad employees. Employers currently have the option of submitting their reports on paper Form BA-9, (or in like format) on a CD-ROM, or by File Transfer Protocol (FTP), or Secure Email. Completion is mandatory. One response is requested of each respondent. The RRB proposes no changes to the manual, CD-ROM, secure email, or FTP Version of Form BA-9. The RRB proposes the addition of an internet equivalent version of Form BA-9 to the information collection.
