

substantial service in their license area within 10 years of being licensed.

Section 101.529 requires that in order to receive a renewal expectancy at renewal time, a 24 GHz licensee must demonstrate that it provided substantial service. 24 GHz licensees must also provide copies of all FCC orders finding the licensee to have violated the Communications Act or any FCC rule or policy, and a list of any pending proceeding relating to any such possible violation.

Section 101.103 requires that LMDS licensees coordinate proposed operations with existing licensees, permittees, and applicants in the proposed area of operation. Coordination consists of notification by the licensee of its proposed operations, and a response by neighboring licensees, permittees, and applicants stating whether any interference is predicted. The coordination requirements set forth in the Commission's rules remains unchanged, and this submission does not seek to revise those requirements or the estimated burdens relating to that rule.

FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of

information on the respondents, including the use of automated collection techniques or other forms of information technology; and ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

DATES: Written PRA comments should be submitted on or before August 13, 2012. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.

OMB Control Number: 3060-0580.
