[Docket ID FEMA-2010-0003; Internal Agency Docket No. FEMA-B-1150]

Changes in Flood Elevation Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Interim rule.

SUMMARY: This interim rule lists communities where modification of the Base (1% annual-chance) Flood Elevations (BFEs) is appropriate because of new scientific or technical data. New flood insurance premium rates will be calculated from the modified BFEs for new buildings and their contents.

DATES: These modified BFEs are currently in effect on the dates listed in

the table below and revise the Flood Insurance Rate Maps (FIRMs) in effect prior to this determination for the listed communities.

From the date of the second publication of these changes in a newspaper of local circulation, any person has ninety (90) days in which to request through the community that the Deputy Federal Insurance and Mitigation Administrator reconsider the changes. The modified BFEs may be changed during the 90-day period.

ADDRESSES: The modified BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT: Luis Rodriguez, Chief, Engineering Management Branch, Federal Insurance and Mitigation Administration, Federal Emergency Management Agency, 500 C Street, SW., Washington, DC 20472, (202) 646-4064, or (e-mail) luis.rodriquez1@dhs.gov.

SUPPLEMENTARY INFORMATION: The modified BFEs are not listed for each community in this interim rule. However, the address of the Chief Executive Officer of the community where the modified BFE determinations are available for inspection is provided.

Any request for reconsideration must be based on knowledge of changed conditions or new scientific or technical data.

The modifications are made pursuant to section 201 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The modified BFEs are the basis for the floodplain management measures that the community is required either to adopt or to show evidence of being already in effect in order to qualify or to remain qualified for participation in the National Flood Insurance Program (NFIP).

These modified BFEs, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities. The changes in BFEs are in accordance with 44 CFR 65.4.

National Environmental Policy Act. This interim rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Consideration. An environmental

impact assessment has not been prepared.

Regulatory Flexibility Act. As flood elevation determinations are not within the scope of the Regulatory Flexibility Act, 5 U.S.C. 601–612, a regulatory flexibility analysis is not required.

Regulatory Classification. This interim rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This interim rule involves no policies

that have federalism implications under Executive Order 13132, Federalism.

Executive Order 12988, Civil Justice Reform. This interim rule meets the applicable standards of Executive Order 12988.

Health Insurance Issuers Implementing Medical Loss Ratio (MLR) Requirements Under the Patient Protection and Affordable Care Act; Corrections to the Medical Loss Ratio Interim Final Rule With Request for Comments

AGENCY: Office of Consumer Information and Insurance Oversight (OCIO), HHS.

ACTION: Correction of interim final rule with request for comments.

SUMMARY: This document corrects technical errors that appeared in the interim final rule with request for comments that appeared in the December 1, 2010 **Federal Register** (FR Doc 2010–29596 (75 FR 74864)) entitled "Health Insurance Issuers Implementing Medical Loss Ratio (MLR) Requirements Under the Patient Protection and Affordable Care Act."

DATES: *Effective Date:* January 1, 2011.

FOR FURTHER INFORMATION CONTACT: Carol Jimenez, (301) 492–4457.

SUPPLEMENTARY INFORMATION:

I. Background

In the interim final rule with request for comments that appeared in the December 1, 2010 **Federal Register** (FR Doc 2010–29596 (75 FR 74864)), there were technical and typographical errors that are identified and corrected in the Correction of Errors section below. The provisions in this correction notice are effective as if they had been included in the December 1, 2010 interim final rule with request for comments entitled "Health Insurance Issuers Implementing Medical Loss Ratio (MLR) Requirements under the Patient Protection and Affordable Care Act."

Accordingly, the corrections are effective January 1, 2011.

II. Summary of Errors

In the regulation text and preamble sections regarding the scope of the regulation, on pages 74921 and 74867, respectively, we are correcting a typographical error by replacing the Public Health Service Act section reference from "2718(b)(A)(ii)" to "2718(b)(1)(A)(ii)".

In the regulation text section regarding exceptions to the general aggregate reporting requirements (§ 158.120(d)) we are making two changes. On page 74922 (§ 158.120(d)(1)), we are replacing the words "State that has jurisdiction over" the certificate of coverage, which was inadvertently used, with "issue State of" the certificate of coverage. The correct phrase was inadvertently deleted and should be corrected.

On page 74923 (§ 158.120(d)(4)), we are inserting the words "non-U.S." before "citizens working in their home country." The words "non-U.S." were inadvertently omitted and are necessary to make clear that this exception does not apply to U.S. citizens working in their home country. We have corrected

the preamble section on page 74871 as well to reflect this revision to the text.

On page 74923 (§ 158.140(a)(1)), regarding group conversion charges, we are adding a sentence that we inadvertently omitted. The sentence clarifies paragraph(a)(1) with respect to an issuer that transfers portions of earned premium associated with group conversion privileges between group and individual lines of business in its Annual Statement accounting.

Also on page 74923, we are deleting a phrase from §§ 158.140(a)(2) and (3), regarding reimbursement for clinical services provided to enrollees. The preamble makes clear we intended to adopt the NAIC model regulation language, which does not include this phrase. The phrase had appeared in an earlier draft of the NAIC model regulation, and was correctly deleted from part of the interim final rule, but was inadvertently retained in subparagraphs (a)(2) and (3). Because the preamble makes clear that we intended to adopt the NAIC model regulation language, and the inconsistency between § 158.140(a)(1) and §§ 158.140(a)(2) and (3) creates an ambiguity that may cause confusion, we believe it should be corrected.

On page 74923, in two subsections regarding adjustments to incurred claims (§§ 158.140(b)(2) and (4)) we are also replacing the words "may" and "can" with the word "must" to indicate that such adjustments are mandatory. This misuse of "may" and "can" was inadvertent and should be corrected.

We correct an inadvertent omission in § 158.140(b)(5)(i) on page 74924, regarding the choice by affiliated issuers who offer blended rates to choose whether to make an adjustment to each affiliate's incurred claims and activities to improve health care quality to reflect the experience of the issuer with respect to the employer as a whole. We
